

TROXELVILLE.

The drouth is still on and our farmers are in a bad predicament. Some have taken up their potatoes and report a light crop. The grasshoppers are devouring the cloverseed, and it is feared they will do great damage to the grain this fall. D. J. Bingham has purchased an evaporator, and will, in a week's time be ready to boil all kinds of jelly. Irvin Fetterolf and Wm. B. Smith, with their wives, are up in Huntingdon county visiting relatives. On Saturday evening, a few of our boldest democrats met and elected delegates to go to Middleburgh on Monday to set up a lot of targets only to be cut down by the merciless missiles of the republicans. J. O. Goss and Frank L. Troxell were out in Fulton county last week to buy several car-loads of sheep and returned on Saturday with a very old mule—indeed so old that he is supposed to be a twin brother to the one Balaram rode. Last week our band boys got their new uniforms and will wear them for the first time at our picnic next Saturday. They are immense. CAL. JOE.

MONROE TOWNSHIP.

The recent rain was not sufficient to help the corn and potatoes. Those who pretend to know say that Penns Creek was never before so low. Bass weighing 4 pounds have been caught in Schoch's dam this year. Gasoline fishing lamps are becoming common hereabout. Supervisor Hartman had four teams on the road last Thursday covering pebbles with gravel and repairing bridges broken down by Charles Strawser's mammoth engine. The people in this locality are about done thrashing—yield middling. Are the Democratic representatives in the Senate and House from the Northern states so interested in the Silver Bill and tariff reform that they forget the duty they owe their constituents by calling a halt in the administration's onslaught on pensions? If the Democratic party of the North is a friend to the federal soldier why do they sit supinely by and witness the insults cast upon them without a word of protest. Ah, the time has come for rebel revenge, and they have accomplished with ballots what they could not do with bullets. Eyer Smith, who

Hummels Wharf for one year, has decamped with sack and pack, and is now a resident of Penn township.

SELINGSGROVE.

Miss Lisie Gardner, of S. Market St., is visiting her aunt at Steelton. Mrs. D. C. Bergstresser, whom we reported last week as very sick, died last Wednesday. The funeral took place last Saturday afternoon at the house, Rev. Yutzky and Dr. Born officiating. An infant child of Mr. Geo. Remer, of near Lock Haven, died last week and was brought here last Saturday. The funeral was held on Sunday afternoon. Miss Mary Noething, who was doing the World's Fair for several weeks, is back again. Mrs. Selin Davis is remodeling her Water St. property. From present appearances it will be quite an improvement to Water Street. Owing to the absence of one of the boats the Union Sunday school picnic had to be postponed from next Thursday to Tuesday, Aug. 29th. Rev. Yutzky took a trip to Mahanoy City on Monday. Mr. John Hahne, who was working at Jersey Shore, is home and laid up for repairs. Mr. Hahne had his head and arm injured by the falling of a window frame while in the act of hoisting it. We hope he may soon be all right again. The Stroub legacy to Missionary Institute and Gettysburg Seminary has finally been adjusted. Missionary Institute gets \$17,000 and Gettysburg Seminary \$29,000. This is quite a lift to these Lutheran institutions. MENTOR.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used; that relieved him at once. For sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel Penns Creek Pa.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Jonstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel Penns Creek Pa.

Mr. Thomas Batte, editor of the "Graphic" Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, and Dr. J. M. Sampsel Penns Creek Pa.
