

Pennsylvania Day at the World's Fair.

The World's Fair Commission having decided on Thursday, September 7th, as the day which they desire to have formally celebrated and designated as Pennsylvania Day, the Pennsylvania Railroad Company, in pursuance of its usual custom, takes pleasure in announcing that, for the benefit of those wishing to participate in or attend the ceremonies, the extremely low rate of one fare for the round trip will prevail from all points situated on that company's lines within the borders of the State.

Tickets for the occasion will be good only on the special train leaving Philadelphia at 11:30 a. m., September 5th, and reaching Lancaster at 1.15, Harrisburg 3.00, Lewistown Junction 4.30, Altoona 7.00, Pittsburg 10.25 p. m. Stops will be made at principal intermediate stations, and connections may be made from points on the branches of the main line. The composition of the train will be first-class standard coaches, and ample accommodation will be provided for all who will avail themselves of the opportunity of showing their interest in an event so momentous as the commemoration of the Keystone State at the World's Columbian Exposition.

Chicago will be reached by the special train early in the afternoon of the next day, September 6th, and the return coupons will be good for passage on trains leaving Chicago at 3.15 and 11.30 p. m., on or before September 13th.

The inducements for this excursion and the facilities provided in the train service over the Pennsylvania system, will doubtless be taken advantage of by the many Pennsylvania who are anxious to show the pride they have for their native State.

P. R. Road's Popular Summer Guide Book.

Complimented by the press and endorsed by tourists and practical travelers, the Summer Excursion book of the Pennsylvania Railroad Company of this year's issue has become, in consequence of these recommendations and its own real worth, a most highly-prized compilation. The many and diversified routes, including every road of prominence within the great summer belt of the State, offer those contemplating an early fall trip an opportunity of choosing new and interesting means of reaching their destinations. A list of hotels is appended to each resort, which it is self-evident adds materially to the value.

The month of September being probably the finest month in the year in which to travel, an increased demand for this graphic production has become noticeable, and that all may avail themselves of the manifold advantages to be derived from inspection, the Pennsylvania Railroad Company's Passenger Department will mail the book mentioned to any address upon receipt of 20 cents in stamps. A nominal sum merely, with cost of postage added. Copies may also be obtained from Ticket Agents of the company.

ADAMSBURG.

Adamsburg Lodge I. O. O. F. is making arrangements to attend the picnic to be held at Paintertown on Sept. 9. Eleven I. O. O. F. Lodges, two Rebeccas and the Young Americans in full uniform will be there. The Odd Fellows parade will take place at 1:30 p. m. Able speakers will be present. It will be the grandest picnic of the season. Samuel Werner and David and Charles Getz have returned from Huntingdon Co. A party from Shamokin is surveying some of the mountain land. Samuel Shirey lost a valuable horse. Charles Keller and J. A. Laub left last Thursday for the World's Fair. On last Saturday night, some person or persons tried to pry open the windows of Reuben Dreese's house. No doubt the intention was robbery. It is necessary to be on the look-out for such thieves. Mrs. A. S. Helfrich and son, Foster, of Altoona, are visiting friends in town. Mrs. Sarah Smith and Polly Dreese are on the sick list. It is doubtful whether the latter will recover. Prof. J. C. Houser, of Milroy, visited this place. The Professor is an able instructor and was engaged in teaching at this place for two years and met with grand success. He has many warm friends at this place. Charles Walter has taken into himself a wife. Mrs. Griffith (nee Saltzman), of West Chester, is visiting relatives at this place. Rev. Harry Landis, of Oriskany, and his brother, Gus, of Chicago, visited their parental roof.

Caution.

I hereby give notice to any person trespassing on my premises for fishing or hunting that he will be dealt with according to law.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used; that relieved him at once. For sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel Penns Creek Pa.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Jonstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel Penns Creek Pa.

Mr. Thomas Batte, editor of the "Grapole" Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by G. M. Shindel Middleburgh, and Dr. J. M. Sampsel Penns Creek Pa.

Rods, Lines, Hooks, Reels, Flies,

If you want to catch big fish you must be provided with a good strong line, a sharp hook, and plenty of bait. No matter what bait you use, just so you catch the fish. The wriggling worm is a fine bait, but the artificial bait, though less palatable to the fish, is by alluring and oftentimes more successful. This is why we keep ever in the line of

ARTIFICIAL BAIT. We keep everything used in fishing and hunting and when you anything and can't come for it just drop a note to **J. B. REER, Sunbury.**
