"During the epidemic of la grippe Chamberlain's Cough Remedy took the lead here and was much better liked than other cough medicine." H. M. Bangs, druggist, Chatsworth, Ill. The grip is much the same as a very severe cold and requires precisely the same treatment. This remedy is prompt and effectual and will prevent any tendency of the disease toward pneumonia. For sale by G. M. Shindler, Middleburgh and J. W. Sampsell, Centerville.

The persistent cough which usually follows an attack of the grip can be permanently cured by taking Chamberlain's Cough Remedy. W. A. McGuire of Me Kay, Ohio, says: "La Grippe left me with a severe cough. After using several different medicines without relief, I tried Chamberlain's Cough Remedy, which effected a permanent cure. I have also found it to be without an equal for children when troubled with colds or croup. 25 and 50 cent bottles for sale by G. M. Shindler, Middleburgh, and J. W. Sampsell, Centerville, Druggists.

About one year ago I took a violent attack of la grippe. I coughed day and night for six weeks; my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference, but still kept taking it, and soon found that it was what I needed. If I got no relief from one dose I took another, and it was only a few days until I was free from the cough. I think people in general ought to know the value of this remedy, and I take pleasure in acknowledging the benefit I have received from it. Madison Mustard, Otway, Ohio. 25 and 50 cent bottles for sale by G. M. Shindler, Middleburgh, and J. W. Sampsell, Centerville, Druggists.

La Grippe Again.
The re-appearance of the "Grip" calls to mind the experience of Jas. O. Jones, publisher of the Leader, Mexia, Texas. He was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "In the latter case I used Chamberlain's Cough Remedy and with considerable success. I think, only being in bed a little over two days. The second attack, I am satisfied, would have been equally as bad as the first, but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 25 and 50 cent bottles for sale by G. M. Shindler, Middleburgh, and J. W. Sampsell, Centerville, Druggists.
