CENTREVILLE.

Nominations for the various township officers were made on Saturday. Office seekers for the various county offices are beginning to put in an appearance. Candidates Wittenmyer, Smith and J. C. Schoch were in town during the past week interviewing the dear people... E. B. Hartman was to Bannerville last week... D. K. Haas of Shamokin, did business in our town one day last week... Miss Jennie Walter, Miss Tessie Baker, both of McClure, Mrs. John Shrader of New Berlin and G. A. Stine of Mifflinburg were in town over Sunday... Mrs. Leah Oberlin, widow of Michael Oberlin, dec'd, died on Monday morning, aged 70 years, 26 days. Mother Oberlin's health had been failing for some time, but no one expected her end so near. Mrs. Oberlin was a devoted member of the Ev. church for many years. The services of her church, its worship, its welfare, were very dear to her heart, and her seat in the same was never vacant unless prevented by sickness. Mother Oberlin not only professed but she truly lived a devoted christian life the religion she so nobly professed, and died with a full assurance of her acceptance with God. Truly a mother in Israel and her family and friends in their sorrow realize that she is not lost but gone before.

Mr. C. F. Davis, editor of the Bloomfield, Iowa, "Farmer" says: "I can recommend Chamberlain's Cough Remedy to all sufferers with colds and croup. I have used it in my family for the past two years and have found it the best I ever used for the purpose for which it is intended. 50 cent bottles for sale by G. M. Shindle, Middleburgh, and J. W. Sampsel, Centerville, Druggists.

Joseph V. Dory, of Warsaw, Ill., was troubled with rheumatism and tried a number of different remedies, but says none of them seemed to do him any good; but finally he got hold of one that speedily cured him. He was much pleased with it, and felt sure that others similarly afflicted would like to know what the remedy was that cured him. He states for the benefit of the public that it is called Chamberlain's Palm. For sale by G. M. Shindle, Middleburgh, and J. W. Sampsel, Centerville, Druggists.

Dr. Albert Favorite, of Arkansas City, Kan., wishes to give our readers the benefit of his experience with colds. He says: "I contracted a cold early last spring that settled on my lungs and had hardly recovered from it when I caught another that hung on all summer and left me with a hacking cough which I thought I never would get rid of. I had used Chamberlain's Cough Remedy some fourteen years ago with much success, and concluded to try it again. When I got through with one bottle my cough had left me, and I have not suffered with a cough or cold since. I have recommended it to others, and all speak well of it." 50 cent bottles for sale by G. M. Shindle, Middleburgh, and J. W. Sampsel, Centerville, Druggists.
