TROXELVILLE.

Easter-day, was rather cold and unpleasant, but that did not interfere with the exercises of the Sunday School in the evening. A splendid program was rendered in an excellent style. All the participants acquitted themselves very successfully considering that the time allotted for preparations was very limited. Rev. A. K. Zimmerman's address was a master piece of oratory, but the crowning event was a hymn sung by little Cattie Bingham, a child four years old. The infant school was treated to colored eggs and candies. Jacob Bingham, who had a stroke of palsy, a week ago last Friday, is improving, and attended services in church on last Sunday. If the weather will permit, there will be considerable oats sown this week. Last week, there were 4 shots fired at me at a distance of about six miles. The shots were fired from the strong fort at Middlewarth, in Centre township; but as the distance is so great, and the calibre of the gun so very small, that the bad shooting which was done, only goes to show, that the great general, who commands the fortens can not be a graduate of any Military school. Such shots I enjoy as pleasant amusements. CAL. JOE.

PORT TREVORTON.

Many of our old boatmen have exercise with the pump since the water has been let into the canal. We are glad to note that John S. Arnold formerly a citizen of here has accepted a very lucrative position with a Washington (D. C.) specialist. This engagement however, will not sever his collegiate aspirations but will tend to make them more intense. John is climbing the ladder to wealth and fame, while others are craving opportunities only to neglect them. Easter eve found one half of our populace enjoying a cantata in Herndon, and the other half appreciating the unrestricted pleasures of the apron party at J. O. Nipple's. The success of the cantata is an evidence that the Mite society, under whose auspices it was held, is indeed becoming a "Might" in a good cause. We have several persons in our town who would make uncommonly good recruits for Coxey's army. Should they manifest any desire in that direction. The citizens would undoubtedly favor each Coxey-like inclination with sufficient financial aid to get beyond the confines of the county. It certainly would be a good riddance of bad material. Truth is often stranger than fiction. Thus in the case of several young lads who possessed an innate desire to celebrate an eggstravagan't Easter, made appropriations from the daily gatherings until they had several dozens acquired, snugly hidden away in the barn. By the time Easter had made its appearance, the eggs, mysteriously disappeared. It was at first suggested that a neighbor's hen had discovered the nest and by close application to the situation had converted the eggs into spring chickens which had apparently escaped. But circumstantial evidence soon proved the fallacy of the conclusion, and now several boys are striving to prove facts identical with their innocence. BITTER SWEET.

ADAMSBURG.

The attention of all Sunday School workers is called to the fact that the annual convention will meet at Beavertown, Monday, Tuesday, and Wednesday of May 7, 8, and 9th. An interesting program is in course of preparation. The weather of 75 degrees in the shade has changed to about 15 above zero, which no doubt is very hard on the fruit. Easter services, which proved to be an interesting nature, were held in the Lutheran Church. All the participants performed their parts well. Mrs. John Schambach, a respected lady, died aged 61 years. Also an infant child of D. F. Spaid. The Beaver Springs, creamery is almost ready for operation. Our public schools are drawing to a close. P. E. Hackenberg is soliciting for a select school. Jas. Markley and Ira Lepley received a well digger and are at present drilling a well for Wm. Markley.

DIED.

March 18th, near Fraeburg, Jennie Izora, daughter of William and Ellen Reminger, aged 7 years, 7 months and 4 days.

The strongest recommendation that any article can have is the endorsement of the mothers of the town. When the mothers recommend it you may know that that article is more than ordinary merit. Here is what the Centreville, South Dakota, Citizen says editorially of an article sold in their town: "From personal experience we can say that Chamberlain's Cough Remedy has broken up bad colds for our children. We are acquainted with many mothers in Centreville who would not be without it in the house for a good many times its cost, and are recommending it every day." 50 cent bottles for sale by G. M. Shindel Middleburgh, Dr. J. M. Sampsel, Penns Creek, Pa.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ill.: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right to-day; and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by G. M.
