

Last of the Pennsylvania R. R.'s Popular Excursions to the National Capital.

The series of spring excursions to the National Capital, which have been so successfully conducted by the P. R. R. Co., will close with the final trip on April 10th.

These excursions have proven exceedingly popular, both on account of the low rate and the many attractions which Washington offers the visitor during the spring. Always a delightful city, Washington is particularly attractive when the trees and flowers with which its parks and squares are enriched, are showing the first buds and blooms of spring.

The excursion tickets, which are sold at \$9.00 from Pittsburg and at proportionately low rates from other stations, admit a stop-off at Baltimore in either direction, and are valid for return within ten days.

The special train of parlor cars and day coaches will run as follows, and tickets will be sold at the rates quoted—

Station	Rate	Train Leaves
Pittsburg	\$9.00	8:05 A. M.
Altoona	7.35	12:05 P. M.
Tyrone	7.25	12:27
Lewistown Junction	5.60	1:50
Mifflin	5.25	2:10
Washington, Ar.	7.45	

In addition to the special train tickets will be good for passage on all trains of the 19th inst. except the Pennsylvania Limited.

Tickets on sale in Pittsburg, at Union Ticket Office, Fifth Avenue and Smithfield Street, and Union Station, and at all stations mentioned above. For full information apply to T. E. Watt, Pass. Agt. Western District, 110 5th Ave. Pittsburg.

Expel the Anarchists.

The bloody riots last week in the coke regions remind us of the necessity of halting on the importation of foreign labor to compete with American integrity. The foreign element has caused so much disturbance in the industrial world that the American people need to be cautious about admitting aliens to enjoy the freedom of American citizenship. Aliens in every case are the cause of blood shed and labor disturbance. The American is entitled to freedom because he knows how to appreciate the privileges afforded by the constitution. The foreigner comes here ignorant and remains so. How can he appreciate the merits of freedom afforded by our National laws?

There is no room in this free land for Anarchists and those who have no respect for our institutions. 'Tis true, some foreigners make good citizens, but it is the exception and not the rule. We welcome to our shores all who are oppressed in foreign lands when they come here understanding our free institutions and knowing how to appreciate our laws. Ours is the land of freedom, but our liberty is the liberty of law and the lawless should have no sympathy from any class or condition of American people.

The more Chamberlain's Cough Remedy is used the better it is liked. We know of no other remedy that always gives satisfaction. It is good when your cough is seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozens of it and every bottle has given satisfaction. Stedman & Friedman, druggists, Minnesota Lake, Minn. 50 cent bottles for sale by G. M. Shindel, Middleburg, and J. W. Samsel, Pennsereek.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. Knutson & Co., Kensington, Minn. 50 cent bottles for sale by G. M. Shindel, Middleburg, and J. W. Samsel, Pennsereek.

SHERIDAN'S Keep Chickens Strong and healthy; it gets your pullets to laying early; it is worth its weight in gold when hens moult; it prevents all disease, Cholera, Roup, Diarrhoea, Leg-weakness. It is a powerful food digestive. Large cans are most economical to buy.
NOTHING ON EARTH WILL MAKE HENS LAY LIKE SHERIDAN'S CONDITION POWDER
Therefore, no matter what kind of feed you use, mix with it daily Sheridan's Powder. Otherwise, your profit this fall and winter will be lost when the price for eggs is very high. It assures perfect assimilation of the food elements needed to produce health and form eggs.
It is absolutely pure, highly concentrated, therefore used in small doses; no other kind one fourth as strong. In quantity it costs less than one cent a day per hen. One large can saved me \$10; send six more to your poultry dealer this winter" says a customer. Sold by druggists, grocers and feed dealers. No other ever made like it.
