Ols Widder, GOTTLIEB BOONASTEL. To the Sunday School Workers of Snyder County.

DEAR FRIENDS—The time for the next annual Convention, May 7, 8 and 9, is fast approaching and it behooves us all to be up and doing. The convention held at Selinsgrove last year was a grand success. We should all endeavor to make the coming meeting a greater success if possible. There is plenty of work for us to do throughout the county—many things can be done to give greater results than we have yet had. Fifty-five (55) per cent of the population of the county are wholly or in part identified with the Sunday School work, why should we not set up our banners to make it seventy-five (75) per cent. Many children and youth of the county have no home in the Sunday School. With the earnest and prayerful work a great majority of those could be gathered in our fold; we would thereby be doing them as well as ourselves good, and honoring our Father who expects us to use the talents He has given us. We have the promise of the presence of Prof. Sprengle, the State Secretary, and possibly some other prominent Sunday School workers. The Vice-presidents of each district should use their utmost endeavors to have each school in their district represented at the Convention, which will be held at Beavertown. All reports and money apportionments should also be forwarded to Sec. H. I. Romig before the week of the Convention, thereby giving him time for the immediate work of the Convention. We hope to

have reports and a representative or representatives from every school in the county at the next meeting. Commendable progress has been made in that direction for several years past; we hope the good work will go on with increased vigor. Let not one depend on the others, but all, officers, teachers and scholars, determine that they will do all that in their power lies to still further advance the Sunday School cause in our county. Let us be THE Banner County in every respect. If we but do our duty it CAN be done. Will we do it? The work is ours, the blessings of our labors will be God's. Let us earnestly and prayerfully determine that we will. Yours Truly, M. L. WAGENSELLER, President.

Persons who are subject to attacks of bilious colic can almost invariably tell, by their feelings, when to expect an attack. If Chamberlain's Colic, Cholera and Diarrhoea Remedy is taken as soon as these symptoms appear, they can ward off the disease. Such persons should always keep the Remedy at hand, ready for immediate use when needed. Two or three doses of it at the right time will save them much suffering. For sale by G. M. Shipdel, Middleburg, and J. W. Sampsel, Pennsereek.

Valuable Present Free.

DO not be deceived. The following brands of White Lead are still made by the "Old Dutch" process of slow corrosion. They are standard, and always Strictly Pure White Lead. The recommendation of "Armstrong & McKelvy," "Beymer-Bauman," "Davis-Chambers," "Fahnestock," to you by your merchant is an evidence of his reliability, as he can sell you cheap ready-mixed paints and bogus White Lead and make a larger profit. Many short-sighted dealers do so.

FOR COLORS—National Lead Co.'s Pure White Lead Tinting Colors, a one-pound can to a 25-pound keg of Lead and mix your own paints. Saves time and annoyance in matching shades, and insures the best paint that it is possible to put on wood. Send us a postal card and get our book on paints and color-card, free; it will probably save you a good many dollars. NATIONAL LEAD CO., New York. Pittsburg Branch, German National Bank Building, Pittsburg.
