

An Essay on Man.

Man that is born of woman is small potato and few in a hill. He rises up to-day and flourishes like a ragweed, and to-morrow or next day the undertaker hath him. He goeth in the morning warbling like a lark, and is knocked out in one fourth round and two seconds.

In the midst of life he is in debt, and the tax collector pursueth him wherever he goeth. The banister of life is full of splinters, and he slideth down with considerable rapidity. He walked forth in the bright sunlight to absorb ozone, and meeteth the bank teller with a slight draft for \$957.

He cometh home at eventide and meeteth the wheelbarrow in his path. It riseth up and smiteth him to the earth and fatheth upon him and runneth one of its leg into his ear.

In the gentle spring time he putteth in his summer clothes and a blizzard striketh him far from home and filleth him with cuss words and rheumatism. In the winter he putteth on winter trousers and a wasp that abideth excitement. He starteth down to the cellar with an oleander and goeth backward, and the oleander cometh after him and sitteth upon him.

He buyeth a watch dog, and when he cometh home from lodge the watch dog treeth him and sitteth near him until rosy morn. He goeth to the horse trot and betteth his money on the brown mare, and the bay gelding with a blaze face winneth.

He marrieth a red-headed heiress with a wart on her nose, and the next day the parent ancestor goeth under with a fee, arrest and great liabilities and cometh home to live with his beloved son-in-law.

The more Chamberlain's Cough Remedy is used the better it is liked. We know of no other remedy that always gives satisfaction. It is good when your cough is seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozens of it and every bottle has given satisfaction. Steadman & Friedman, druggists, Minnesota Lake, Minn. 50 cent bottles for sale by G. M. Shindel, Middleburg, and J. W. Samspe, Pensereck.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. Knutson & Co., Kensington, Minn. 50 cent bottles for sale by G. M. Shindel, Middleburg, and J. W. Samspe, Pensereck.

**DANA'S Sarsaparilla**

THE KIND THAT CURES

SCROFULA AND ECZEMA

WONDERFUL CURE

MINISTER'S TESTIMONY

I wish to extol the virtues of DANA'S Sarsaparilla. Mrs. Day's health was unusually good up to the age of 40. At this time scrofula taint manifested itself in form of Eczema. We had used a variety of remedies, with but little good result, but DANA'S Sarsaparilla proved so effective that I must say it is a grand combination of remedial agents. My son was also troubled with Eczema, his arms, from hands to elbows, being one solid mass of scabs. He has also been cured by the use of DANA'S Sarsaparilla.

**WITHOUT THE Non-pull-out BOW (RING)**

It is easy to steal or ring watches from the pocket. The thief gets the watch in one short, quick jerk—the ring slips off the watch stem, and away goes the watch, leaving the victim only the chain.

This idea stopped that little game:

The bow has a groove on each end. A collar runs down inside the pendant stem and fits into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

Sold by all watch dealers, without cost, on Jas. Boss Filled and other cases containing this trade mark.

**SHERIDAN'S**

Keep Chickens Strong and healthy; it gets your pullets to laying early; it is worth its weight in gold when hens moult; it prevents all disease, Cholera, Roup, Diarrhea, Leg-weakness. It is a powerful food digestive. Large cans are most economical to buy.

Nothing on earth will MAKE HENS LAY LIKE SHERIDAN'S CONDITION POWDER

Therefore, no matter what kind of feed you use, mix with it daily Sheridan's Powder. Otherwise, your profit this fall and winter will be lost when the price for eggs is very high. It assures perfect assimilation of the food elements needed to produce health and form eggs.

It is absolutely pure, highly concentrated, therefore used in small doses; no other kind one fourth as strong. In quantity it costs less than one-cent a day per hen. One large can saved me 60c; send six more to keep you through the winter says a customer. Sold by druggists, grocers and feed dealers. No other ever made like it.

If You Can't Get it Near Home, Send to Us. Ask First.
