

MONROE TOWNSHIP.

We had quite a thunder shower last Friday evening and the creek was considerably swollen. Miss Gertie Klingler was the guest of Jacob Jarrett's last Sunday. Daniel Sassaman, Peter Young and their families visited Jacob Jarrett last Sunday.

TROXELVILLE.

Last Friday night, Tobias Mitchell lost his best horse by death. The fruit trees are in full bloom; but the blossoms are a hollow mockery on a great many trees; the fruit is nearly all killed. There is still some oats to be sowed; the unfavorable weather is a draw back to lowland. Well the trout season was opened by Squire Jim Middlewarth on Monday. The Squire is one of the best fishermen we have, and it's a cold day if he can't catch any. Two was the number of the wily beauties he brought home. These with an abundance of bread, potatoes and other things made his family a full round meal. Very few fish were caught last week. There are several good reasons for this; first, the fish are scarce—owing to the free use of dynamite—and second, the water is too high and cold. On Saturday, James M. Mattern, of the firm of Goss & Mattern left for Philadelphia to purchase their spring & summer goods. His wife, and Miss Hattie L. Swartz accompanied him and will keep him straight. James H. Fetterolf will preach in the St. Luke's church at this place on Sunday afternoon.

Found in a Corner Stone Laid in 1761.

The greater portion of the old church at Moslem, Berks county, has been torn down and in the corner stone was found a piece of lead 7 1/2 inches square, divided into four parts by lines radiating from the centre, in which a number of inscriptions in German were traced with some sharp instrument. One announces that the corner stone was laid August 10th, 1761, in the presence of the congregation and others. Another states that "These 100 acres of land were purchased from Thomas Penn and Richard Penn, true owners, lords of the Providence of Pennsylvania, on the 12th day of August, A. P. P. V., 1748." "with the privilege to erect a church thereon and for burial and other purposes, to the congregation and its successors," and "this patent is recorded in Philadelphia, in Patent book A, Vol. 19, 16 A. M., 50th page, July 29th, 1761." In the corner stone were placed "a Bible, catechism and hymn book, also the silver and copper coins of our King of Great Britain, France and Ireland, 1761." The lead is in good condition, but the coin was all tarnished and green, and the books crumbled when touched.

The more Chamberlain's Cough Remedy is used the better it is liked. We know of no other remedy that always gives satisfaction. It is good when your cough is seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozens of it and every bottle has given satisfaction. Steedman & Friedman, druggists, Minnesota Lake, Minn. 50 cent bottles for sale by G. My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. Knutson & Co., Kensington, Minn. 50 cents bottles for sale by G. M. Shindel, Middleburg, and J. W. Sampsel, Pennsereek.

Non-pull-out

is an arbitrary word used to designate the only bow (ring) which cannot be pulled off the watch.

Here's the idea

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

It positively prevents the loss of the watch by theft, and avoids injury to it from dropping.

IT CAN ONLY BE HAD with Jas. Boss Filled or other watch cases bearing this trade mark

All watch dealers sell them without extra cost. A watch case opener will be sent free to any one by the manufacturers.
