McCLURE.

It is with sadness that I write this morning to tell the readers of the Post that Grandfather Ulsh and wife sank into the repose of final sleep only three days apart. He was buried last Sunday forenoon, July 29th, and the next day about the same time Mrs. Ulsh breathed her last. Only a moment's agony and the good mother and neighbor's

spirit returned to God, who gave it. She expressed the wish, and no doubt prayed earnestly, to follow her dear one soon. United in life for nearly sixty years, they are so soon united in death. A son far off in the West could not be present at either funeral. They were both members of the Lutheran church for many the river on Tuesday. All report years, where they adorned the doctrine of God, our Saviour, with an exemplary life. Their remains were followed to their last resting place by a large concourse of relatives and ing greatly alarmed and somewhat friends. Grandmother's funeral took surprised that no appointment has place Wednesday forenoon. The memory of the just is blessed. X.

HEART DISEASE!

Fluttering, No Appetite, Could Not Sleep, Wind on Stomach.

"For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought that every minute would be my last. There was a feelling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My hus-band induced me to try

Dr. Miles' Heart Cure and am happy to say it has cured me. I now have a splendid appetite and sleep well. Its effect was truly marvelous."

MRS. HARRY E. STARR, Pottsville, Pa. Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1,6 bottles for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
