To the School Teachers in the Public Schools of Pennsylvania.

Pennsylvania Forestry Association prizes of fifty dollars

for the best and twenty-five for the second best essay upon "Practical Value of Forests to the Surface of the Country," prepared by teachers in the public schools of Pennsylvania. The conditions under which the prizes are to be awarded are:

1st. Each essay must be presented at a county teachers' institute, or (in cities where institutes are not held) at an organized assemblage of teachers, and the merit of the same passed upon in such manner as the institute or other organization decides.

2d. The County or City Superintendent is requested to forward to the Pennsylvania Forestry Association as soon as possible a list of those who contributed essays, giving names, addresses and schools with which the writers are connected; and also the two essays which have been endorsed as specially meritorious or recommended for competition for the prizes.

3d. A Committee will be selected by the Council of the Pennsylvania Forestry Association to pass upon the essays received from the various County and City Superintendents, who will decide which of these is entitled to the first prize of fifty dollars and which to the second prize of twenty-five dollars.

4th. The competition will be open to all essays presented as above indicated which are received by the secretary of the Pennsylvania Forestry Association on or before March 31st, 1895. It is intended that, as far as it may be practicable, all persons who have been, are, or shall be teaching in the public schools of Pennsylvania between April 1st, 1894, and April 1, 1895, may become contestants.

5th. It is expected that the names of each essayist and as far as possible excerpted from essays will be printed in "Forest Leaves," the organ of the Pennsylvania Forestry Association, and the essays winning the prizes will also be published in "Forest Leaves," but no restrictions upon publication of essays in local papers are made.

The sole desire of the Association is to encourage the study of and interest in tree-growth, and none should be deterred from entering into the contest because of modesty or diffidence. The purpose has been to open the subject to all in the broadest manner possible. A concise, well-thought-out essay will

be apt to win a prize for its practical features as a composition of greater length, abounding in elaborate phraseology or presenting rhetorical perfection.

Teachers everywhere in the State are requested to enter the contest. The subject is a practical one, and, by keeping their eyes open during the Summer vacation, teachers will find innumerable facts on every hand bearing thereon, which "he who runs may read" and write about.

MIDDLECREEK.

Cider making and apple "snitzens" are now making their rounds... The picnic at McClure was attended by quite a number of our citizens who pronounced it a success... A. A. Ullsh is offering extraordinary bargains in the line of dry goods this and next week... The following are sick: Mrs. Erie Ullsh, Mrs. David Krebs and Jerry Druckenmiller... Miss Laudenslager of Lewistown is visiting A. A. Ullsh's... Don't forget the Middlecreek picnic in Steinger's grove on Saturday next. The Troxelville Band will furnish some of its excellent music. Prominent speakers will be present. Refreshments on the ground. Come... Communion at the St. Paul's Ev. Lutheran church on Sunday... At present it seems that the (would be) base-ball club of this place has gone to the four winds.

PANTONVILLE.

Hattie Attig made a visit to Kantz over Sunday... Ervin Hommel was home to visit his parents recently... Messrs. R. G. Bowersox, Chas. Derr and Emery Ernest left for C. P. College last week... Wm. Bruner is home from the lumber regions visiting his parents... Some of our young people attended the picnic at Bower's grove on Saturday... Inspector Long of Selinsgrove was here on Monday and Friday of last week, also on Monday of this week, to take action and inspect the school-house. Attorney's Bower and Smith of Middleburgh and Alleman of Selinsgrove are engaged in the case... Howard Schambach made a business trip to Wagner recently. Milard Courtney and Henry Felty were in Milton last week.

THERE is but one way in the world to be sure of having the best paint, and that is to use only a well-established brand of strictly pure white lead, pure linseed oil, and pure colors.*

The following brands are standard, "Old Dutch" process, and are always absolutely

Strictly Pure White Lead

"Armstrong & McKelvy," "Beymer-Bauman," "Davis-Chambers," "Fahnestock."

* If you want colored paint, tint any of the above strictly pure leads with National Lead Co.'s Pure White Lead Tinting Colors.

These colors are sold in one-pound cans, each can being sufficient to tint 25 pounds of Strictly Pure White Lead the desired shade; they are in no sense ready-mixed paints, but a combination of perfectly pure colors in the handsomest form to tint Strictly Pure White Lead.

The Railroad Man, The Clergyman, The Business Man, and all other men who have to look neat while at work, should know about "CELLULOID" COLLARS AND CUFFS. They look exactly like linen, wear well and being waterproof do not wilt down with heat and moisture. They do not soil easily and can be cleaned in a moment by simply wiping off with a wet sponge or cloth. Do not confuse these in your mind with composition goods. Every piece of the genuine is stamped like this:

TRADE MARK. CELLULOID MARK. Ask for these and refuse anything else if you wish satisfaction. Remember that goods so marked are the only waterproof goods made by coating a linen collar with waterproof "Celluloid," thus giving strength and durability. If your dealer should not have the "Celluloid" send amount direct to us and we will mail you sample post-paid. Collars 25c each. Cuffs, 50c pair. State size and whether stand-up or turned-down collar is wanted. **THE CELLULOID COMPANY, 427-29 Broadway, New York.**
