A Fruit Farm at Public Sale!

Only Thirteen Acres.

On the 7th day of September, 1894, a fine equipped Fruit Farm will be sold at Public Sale at the West end of Snyder county in West Beaver township. Fruit farming is one of the best paying occupations now carried on. This is easily proven. There are two brothers in Tennessee who own a pear orchard of thirteen acres. Last Fall they sold their annual crop for the fourth time for $4000.00 to a party in Cincinnatti, Ohio. This party buys their entire crop every year. Why can not the Fruit growers and Farmers in our section wake up? Our section is well adapted to pear growing. For particulars, Address,
