There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be securable. For a great many years doctors propounced it a local disease, and prescribed local remedies, and by constantly falling to care with local treatment, pronounced it incurable. Science has proven catarrh to be a consitutional disease and therefore requires constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manifestured by F. J. Cheney & Co., Toledo, Ohio, is the oary constitutional cure on the market. It is taken internally in doses from bidrops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials free. Address

It is stated on what appears to be good authority that the errand of H. A. Wildemann of Honolulu, to this country is for the purpose of commencing a damage suit against the United States on behalf of the ex-queen of Hawaii. The amount of the damage asked for is said to be \$200,000 and the friends of the ex-queen declars that this government has been instrumental in muleting her to fully that amount. Her claim is that the provisional government could never have been established and herself deposed had it not been for the unwarranted action of a recognized agent of the United States, the captain of the war ship Beston, which action was subsequently formally disavowed by the
