

SELINGROVE.

It is a noticeable fact that more new buildings have been erected in Selingsrove, this summer than for many years before. Now all we need is a few factories and the town will certainly take a boom. But without unison among our people we can never accomplish anything. The G. A. R. and P. O. S. of A. attended the services of the Y. P. S. C. E. in the 2nd Lutheran church last Sunday evening. The Owls gave their opening dance on last Friday night, in the Town Hall. Prof. Wm. Noetting of the Bloomsburg State Normal spent Sunday with his family. Harry Hummel, of Northumberland was in town on Sunday. G. W. Keller spent Sunday in the East End. Prof. G. W. Wallborn of Freeburg, made a business trip to town last Saturday. A lecture will be given in the Town Hall on Thursday night for the benefit of the Clio Literary Society. A large delegation of our sporting people witnessed the Bucknell and Franklin and Marshall football game in Lewisburg last Saturday. There is a great deal of huckstering going on in town (the Midnight variety.) All those industrious citizens should be carefully watched with a shot gun, during their labors and boarded at the county's expense when they are disabled by too close watching. Miss Harriet Richter has gone to Wilkes-Barre to spend a week or ten days. Mrs. Anos Mertz of Burlington, Iowa, is visiting her parents G. W. Von Neida and wife. Perry Noll and wife of Pittston were in town Monday. Dr. B. F. Wagenseller went to Philadelphia Tuesday night. W. H. Miller of Philadelphia spent Sunday here with his family. W. G. Von Neida made a flying trip to Lewisburg on last Thursday. W. J. Wagenseller and Rev. W. A. Haas are attending the synod of the Reformed church at Harrisburg. Miss Carrie K. Schoch of Hummel's Wharf is visiting friends at Pittsburg. Miss Irene Schoch, who is in the hospital in Phila., is very ill from the effects of an operation performed on her finger. You Know.

MIDDLECREEK.

The farmers are busy husking corn of which there is a good crop. Oscar Schultz, who last week cut off one of his fingers and badly sawing another one, is getting along as well as can be expected. On Saturday eve, W. H. Kline took a load of goods to Adamsburg where he sold them at public auction. He will again have auction there next Saturday eve. Alvin Ush will leave for the city this week to buy his fall and winter goods. The Republican Club of Spring Twp. accompanied by the Adamsburg Band met at Middlecreek on Saturday eve. Speeches were made by Attorney Baker and Dr. A. M. Smith. Rolandus Hartman and family paid a visit to his parents in Union county the latter part of last week. H. C. Krebs and wife were visiting friends in New Berlin on Saturday and Sunday. J. H. Knapp accompanied by John Heimbach made a business trip to Middleburgh on Saturday. Calvin Duan and family of West Perry Twp. were the guests of Joseph Weader's on Saturday. M. A. Yetter, our Boss carpenter, is kept very busy putting up small buildings for our farmers.

MONROE TOWNSHIP.

The crops are about all gathered except corn which will be husked the coming two weeks. Francis Miller sold his home to Ammon Jarrett for \$300. Mr. Miller intends moving in the near future to Shamokin Dam nearer his working place in Sunbury. John Lenig made a business trip to Montandon last Saturday. John Adams, the expert painter of Mechanicsville, has the contract to paint Franklin Jarrett's new house. Henry Reed one of Hoke Smith's victims was before the Lewisburg Pension Board last Wednesday. About a year ago he was suspended and Henry furnished the required evidence and nothing more had been heard of it until lately he got notice to be re-examined. It is also rumored that McFall who got an increase to fourteen dollars the past summer under the present administration is also under the hammer again. It is no wonder that business men do not trust to go into business and suspend manufactories, when an administration does not trust its own proceedings. Look out, Soldiers, the Country is flooded with ex-confederates spying out your claims and if you can hop along on one leg yet, they will attack your claims. Williamsport has no less than two and one a striping only 21 years old. V. T.

CAMMAL, PA.

Quite a number of boys from camp went to a public school entertainment at Haneyville, a little village 6 miles from here. All enjoyed themselves. Girls were more plenty than boys, but our boys forgot their sand. Uriah Howell of Paxtonville is suffering with a severe toothache. Mrs. H. Clinton Strickers and her two sons, Howard Maine and Frank Ray, are on an extended visit through Centre, Union and Snyder counties. The new standard gauge railroad of which Wm. Moyer, formerly of Beavertown, is Supt., is nearing completion. It is second to no lumber road in Pa. Calvin Bowersox, foreman on Boger's prop job, came near meeting with an accident at the entertainment. A lamp exploded during the exercises and he had his eyes centered on the manager of the house (a man) so that he did not see the stamper until the panic was at the highest and himself flying head long over the children.

HEART DISEASE!

Fluttering, No Appetite, Could Not Sleep, Wind on Stomach.

"For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought that every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My husband induced me to try

Dr. Miles' Heart Cure and am happy to say it has cured me. I now have a splendid appetite and sleep well. Its effect was truly marvelous."

MRS. HARRY E. STARR, Pottsville, Pa. Dr. Miles' Heart Cure is the best medicine I have ever used. It cured me of heart disease. It is sold in bottles of \$1.00 and \$2.00. Write to Dr. Miles Medical Co., Elkhart, Ind.
