

Question in Mental Arithmetic.

A farmer came to market with some peaches in a basket, a tub and a bucket. His horses becoming frightened, the wagon was soon minus the basket and its peaches were scattered. Ben, was hired to help pick them up for one-fifth of them, while Tom, and Josh, boarding the wagon, helped themselves to one-half of what was in the tub, and Dick filled his satchel with all but a dozen of what were in the bucket. Josh divided with Tom so as to give him but one-fourth as much as his own booty, and while they wrangled about it, Ben, stole half their peaches. Tom's heap had but ten then, while Dick had one-half of Ben's number, which was, by pay and stealing twice as much as both Josh, and Tom had. How much did each have, and how many peaches in the wagon at first?

WEST BEAVER.

At this writing (Monday) some of our farmers are not done cutting off corn. Others are through husking and have begun plowing... Dr. Wagner of Adamsburg has been seen quite often at this end, putting up heaters and attending to the sick... There has been some rumor afloat about our good citizens in W. B. The matter should be investigated and the guilty should be made to suffer... Another of Hoke's friends was called to Lewistown last week to show why he should not have his pension reduced. This time it was Emanuel Peter, a four year soldier. Boys do not forget the 6th of November... Candidates are plenty and all expect a big majority... If you are well supplied with "hog gravy," Fisher & Son will furnish the buck wheat flour. It can not be surpassed in the state. No doubt the Post will get a sample sack... Up to date no reports came in concerning the killing of any deer, but keep your eyes open, T.F. Swineford is getting a new gun that is insured to kill on the wing every time... Soldiers and Soldiers' friends you will have a chance on the sixth of Nov. to let Grover and his Pals, know your feeling toward the party who has been doing you all the injury they can. I do not think W. B. has one man that is in favor of such a party. Bon.

All citizens are invited to attend Demorest contest in Selinsgrove Town Hall on Monday evening. Admission 10 cents.

Strawberries in goodly quantity and of fine quality are still being gathered on a plantation in Curry county, Or., which has been yielding steadily and heavily ever since early in June.

On Saturday last when Rev. Rarick, of this place, reached Salona, whither he had gone to install Rev. Spangler, he was met at the station, taken into a buggy by one of the brethren, and his baggage placed in the back of the rig. When reaching his destination, the Reverend's baggage was not est—it was stolen and has not yet been recovered. This is rough on Salona, and would indicate that preachers are needed over that way to correct the ways of some. Possibly the minister's satchel had among its effects a powerful sermon, upon one of the ten commandments, "Thou shalt not steal," and lead to this thief's Salvation.—Centre Reporter.
