

Post's Voting Contest!

FREE TUITION,

Board, Heat, Washing, Furnished Room, Light and use of Gymnasium (amounting in all to \$69.50) at the Bloomsburg State Normal school for the Spring term of fourteen weeks beginning March 25th 1895, will be given to the Snyder county public school teacher who shall receive the largest number of votes up to Saturday evening, March 16th 1895.

Every teacher actively engaged at present in Snyder county will have an equal chance to win this prize; the only advantage to be had is for a teacher to get his pupils and friends to clip the voting coupon below and mail it to us bearing the teacher's name. Of course it will be to the teacher's interest to have all his or her friends to get the Post from which to clip coupons.

The Bloomsburg State Normal school has 26 Professors and gives thorough instruction. This makes the prize a valuable one.

Any person can vote as often as he or she pleases, but they must use the voting coupon as below.

Cut This Out and Bring or Mail to Post.

The molten crown of martyrdom,
Bare not without agonizing always
The petty pains of every day.

As more than martyr's sacrifice,
And more than hero's heart of steel,
We need the humble strength of soul,
Which daily toils and fills our eyes;
Sweet patience, grant us, if you may,
As a relief for every day.

The Salaries of Teachers.

Superintendent of Public Instruction Schaeffer is endeavoring to abolish the practice which prevails in certain school districts of the State to make the salaries of teachers partially depend on the mark given them by the County Superintendent on his visitation of their schools. Dr. Schaeffer has written the following letter to a director in one of the districts in which this practice prevails.

"The monthly wages to be paid by teachers should be specifically determined and agreed upon by the directors when the teachers are employed. The amount to be paid should be fixed by the board without regard to any future contingency or condition dependent upon the report of the superintendent. The directors are authorized and required by law to fix the amount of teachers' salaries, and no other official has anything whatever to do with the salaries and should not be asked or permitted to assume the responsibility which rests exclusively upon the directors themselves. When teachers are employed let their monthly wages be fixed by the directors as the law requires, without imposing upon the teachers any limitations or conditions which the law does not authorize and which in any event are of doubtful validity."

"If teachers neglect their duties in the school room or prove to be incompetent, the County Superintendent may revoke their certificates, or they may be dismissed by the Board for legal cause, but the law nowhere authorizes the directors to delegate to the Superintendent or any other official the powers and duties which devolve exclusively upon the Boards themselves."

Some time ago Mr. Simon Goldbaum of San Luis Rey, Cal., was troubled with a lame back and rheumatism. He used Chamberlain's Pain Balm and a prompt cure was effected. He says he has since advised many of his friends to try it and all who have done so have spoken highly of it. It is for sale by J. W. Saupell, Penns Creek, Pa.

THE RENOWNED CHEMIST.

W. H. MORSE, M. D., F. R. S. C., ALSO
EDITOR OF THE WESTFIELD LEADER
OF NEW JERSEY.

Prof. Morse, who is also author of a medical work entitled "New Therapeutic Agents," writes: Peruna, manufactured by the Pe-ru-na Drug Manufacturing Company of Columbus, Ohio, has commended itself to medical men and their patients as a specific for la grippe and its sequela. It fully approves itself for this purpose, and is remedial for all bronchial troubles. Its action is both local and constitutional, and it is entirely harmless. The distinction accorded to it belongs to no other remedy of which we know.

PROF. W. H. MORSE.

WESTFIELD, N. J., Dec. 29, 1892.

No matter at what part of the mucous membrane the irritation of acute catarrh is located, Pe-ru-na is the only remedy that will, under all circumstances, effect a cure. In acute catarrh the dose of Pe-ru-na is a teaspoonful every two hours during the day, which will invariably effect a cure in from seven to ten days. In chronic catarrh Pe-ru-na should be taken, a teaspoonful before each meal and at bedtime. This dose should be gradually increased to two tablespoonfuls at each dose. If not cured by end of one month write Dr. Hartman. Answer free.

Every one should have a free copy of the latest book on catarrh. Send free to any address by The Pe-ru-na Drug Manufacturing Company of Columbus, Ohio.

KREAMER.

The Christmas Festival at Zeiber's church was a success. Addresses were made by Jno. O. Yoder, C. A. Meiser, A. A. Yoder, D. F. Rau, Jno. Smith and C. W. Landis. The exercises by the children were appropriate and well rendered. Miss Flutie Walter deserves credit for delivering such an appropriate recitation. The Sunday school at this place gave a treat to the school and visitors and had a few exercises by the children. Geo. A. Gordon was home over Christmas. He is working at Milton. A newly married couple arrived here on Saturday from Tokio. A Mr. Spidlebach and Louisa Bollinger. We wish them much happiness. A literary society was organized here on Thursday.

We hope our young folks will take an active part. This is a good step in the right direction. Jno. A. Eichman of Etters, York county, called upon his friends here last week. We were glad to see the jolly boy and hope he will soon call again. Jno. Fields and Perry Rau bought a saw mill from Mr. Herman. They will soon move into the Luther Kratzer timber tract recently purchased by Fields and Wetzel. Mrs. Eli Keeler is again under the care of Dr. E. W. Tool. We hear that our friend T. E. Ewing of Globe Mills is doing a most thriving business. Good luck to you. On Sunday forenoon the school house roof at Globe Mills took fire and burned a small hole through the roof. The water brigade of Globe Mills was called and the flames were subdued before doing much damage. There is often too much carelessness on the part of the directors, as they never look after the pipes and flues of the school buildings. Allen Snook, wife and their son, Charles, spent a few days with friends here. Dr. C. A. Moyer is home on vacation. S. H. Yoder shipped three car-loads of flour to one man in Shamokin.

WEST BEAVER.

Christmas passed off all O. K. at this end. Miss Bessie Houser and Miss Laura Smith were visiting in Lewistown at the former's brother, Charles Houser. Mr. and Mrs. Banner of Lewistown were visiting their many Snyder county friends last week. Some few persons have begun filling their ice houses, with ice from 4 to 5 inches thick. The entertainments at the different churches on Christmas were a grand success in every way. The exercise at the M. E. church on the evening of the 24th under the management of Prof. Joseph Wagner and his assistant, Mrs. Minnie Wagner, was a grand affair in every point. Both large and small were well pleased with the donation they received. Mr. and Mrs. Wagner return their many thanks for the assistance they received from the public. Hon. Alexander Kuepp purchased a lot at Crossgrove. His intentions are to put up a large dwelling house. Many different pledges have been made in W. B. for the year 1895, such as using tobacco, strong drinks and keeping late hours. Bon.

Born to Harvey Schambach and wife—a daughter. C. P. Swengle butchered a hog 18 months old that weighed 606 lbs. Who can beat this? James Canterman and wife of Glen Union visited here recently. Irene Dobsin returned home after making a long stay in Williamsport and other places. Will Brunner who had been working at Cammal for some time is home preparing to leave for school at New Berlin. Messrs. Uriah Howell, Frank Miller, Edward Hoffman, Warren Ernest, Charley Howell and Bingham Ernest have been visiting here. Miss Kate Bowersox who is teaching in the Indian school at Carlisle was home to visit her mother. Wm. Spigelmyer the division master purchased the home of Samuel Haffley for \$275. Wm. Felty had been staying near Pallas, but is home at present. The Christmas entertainment at this place was a success. The children rendered their speeches very well. Protracted meeting is in progress at this place.
