## HEART DISEASE! Fluttering, No Appetite, Could Not

"For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought that every minute would be my last. There was a feelling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My husband induced me to try
