A Specific

is a remedy that will remove a particular disease rather than any other. DANA'S Sarsaparilla is a specific for all diseases having their origin in Impure Blood; or those in which the cleaning of the Blood means good-by to the disease. These comprise nearly all the ills human flesh is heir to. Rheumatism, Catarrh, La Grippe, Malaria, are all constitutional diseases of the blood. Dyspepsia, Indigestion, Constipation, Liver Complaints, Kidney Diseases, all cause Impure Blood. Purify the blood and the disease goes out of the system with the impurities.

Dana's Sarsaparilla

The Kind that Cures

is the most thorough, energetic, yet gentle blood purifier known. It is not we alone who say this; it is those that use it do.
 C. R. BARNES, of BEACH POND, Wayne Co., Pa., had Erysipelas two successive springs; culminating in a severe attack of Eczema. The burning and itching was intense, and the presence of both these blood diseases showed how full of impurities his system must have been. DANA'S cleaned his blood thoroughly. He says it took five
