### Letter from Harrisburg.

HARBISBURG, PA., Mar. 13, 1895 Editor Post:

The House got down to work in confusion. good carnest on Monday evening

The resolution, fixing the 25th of ment, is lying on the table. No one, sons: or at least very few expect to get introduced every day and as long as they are coming in to load down the the crow's appetite is whetted by the sprouting corn.

The introduction of bills may be denied after next week, a matter bility of its enforcement. which is absolutely necessary in orsystematized and inspected. In order that the business may be more will be held each day instead of two. Steering Committee.

ment of a Steering Committee whose duty it would be to sift the calendar of all useless and trashy bills and of such a committee is the fact that or five persons. As for myself I prefer to do my own steering.

Dr. Warren's Bird Book got it in the neck.

leading ornithologists of the country fail it will pass the House finally. and many will regret that the revenues of the state would not permit the necessary expenditure of money to publish the book at this time.

The Governor has the following to

say in explanation of his veto; "Notwithstanding the popularity and value of the work and the general demand made upon me, espec-State, to sign the bill, I am of the opinion that in the present condition of financial and business affairs, it is not economy to expendt his sum of money for such purpose: This proposed edition, valuable and popular as it would be, can be dispensed with and I place the withheld seed with and I place the withheld seed to them in various ways the last two years. Besides last summer tendent, were defeated. with, and I place the withholding of my approval upon the ground that warrant the expenditure of the money at the present time."

Under the plan of distribution allotted to each member, scarcely colored orators. a sufficient number to make a start.

Persons will know, of course, why there will be no "Bird Books" to distribute this year.
