it passes at all without a fierce resistance on the part of those who are opposed to the scheme.

The Quay county bill is also to have another trial and those who ought to know say that it will pass, but not without another great effort on the part of the opposition to defeat it.

The two bills providing for a change in the method of distributing the school fund have a special order and the final test will be made. I hope that some more equitable and just measure will be able to pass.

It is only just to the poorer districts that they should receive more help from the state.

Hon. Mahon, the distinguished and patriotic member of Congress from our district, spent several days at the Capital last week.

Mr Mahon has won distinction in the short time he has been a member and it is but just to say that Penn. has no representatives in that body who are more devoted to the interests of the people than our own Soldier Congressman. C. W. H.

Whooping Cough.

There is no danger from this disease when Chamberlain's Cough Kemedy is freely given. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by J. W. Sampsell, Penns Creek, Pa.

NO SECRET

IN THIS WOMAN'S CASE.

Mrs. Campbell Wishes Her Letter Published so that the Truth May Be Known.

[SPECIAL TO OUR LADY READERS.]

Of the thousands of letters received from women all over the world by Mrs. Pinkham, not one is given to the public unless by the wish of the writer. Thus absolute confidence is established between Mrs. Pinkham and her army of patients; and she freely solicits a letter from any woman, rich or poor, who is in ill health or ailing.

In the case of Mary E. Campbell, of Albion, Noble Co., Ind., her suffering was so severe, her relief so suddenly realized, and her gratitude so great, that she wishes the circumstances published, in the hope that others may be benefited thereby. She says:—

"My physician told me I had dropsy and falling of the womb. My stomach and bowels were so bloated I could not get a full breath. My face and hands were bloated badly. I had that dreadful bearing-down pain, backache, palpitation of the heart, and nervousness.

"One of my physicians told me I had something growing in my stomach; and the medicine that I took gave me relief only for a short time. I thought I must die. I began to take *Lydia E. Pinkham's* Vegetable Compound, and it worked like a charm. After taking the first bottle I could walk across the street, now I am well. I advise all my friends to take it."—MARY E. CAMPBELL, Albion, Noble Co.
