"HELP!"

A WOMAN'S DESPAIRING CRY.

It is Heard. A Prominent Actress Escapes Great Danger.

(SPECIAL TO OUR LADY READERS.)

How startling is a woman's cry for help!

"What can I do? Where shall I go?" She cry goes out city, town, and hamlet in this country knows not. This today from every

It comes from women who are suffering tortures of body and mind from some form of female complaint. Many, through natural modesty, do not consult physicians, for many dread their examinations. They know not where to seek for help.

This alarming condition of things is simply wrong. The peculiar ailments of women are curable, and in most cases very speedily. Lydia E. Pinkham's genius and liberality have given to every woman a sure and consistent means of relief.

No woman should suffer when she can obtain free advice. She can state her case fully to Mrs. Pinkham, woman to woman, without reserve, and the answer will come from one of her own sex. Be one of the vast army of women who write to Mrs. Pinkham, at Lynn, Mass., and preserve your health. "Only a woman can understand a woman's ills."

A prominent actress, in a letter to Mrs. Pinkham, says:—

". . . You cannot imagine the fearful condition I was in when I first wrote to you. I was simply of no use to myself or any one else. I had worked hard, and my nervous system was shattered from womb trouble and travelling constantly. I ran the gauntlet of doctors' theories, till my health and money were rapidly vanishing. . . . I'm all right now, and am gaining flesh daily. I follow your advice faithfully in everything. Thank you ten thousand times for what your knowledge and *Lydia E. Pinkham's* Vegetable Compound have done for me." ....
