

Women Who Suffer.

WITH ANY FORM OF FEMALE COMPLAINT SHOULD READ WHAT DR. HARTMAN SAYS.

It would be impossible to present an exhaustive array of the symptoms caused by these troubles, for their nomenclature, but prominent among them are the mentioned smarting, throbbing, scalding, itching, burning, urticating, aching, trembling, bloating, flashes of heat, tremors of cold, prickly sensations, sinking feelings, faintness, numbness, indescribable penetrating, piercing pains flying from part to part with provoking uncertainty, making the victim with momentary relief, to begin its tures elsewhere. No two cases are exactly alike in number or severity of symptoms, some being only slightly annoyed, others being actually confined to the bed.

In all of these perverted functions of the female organ, take a tablespoonfull of Peruna before each meal and between meals, and enough Man-a-lin at bedtime to keep the bowels continually in a natural condition. Vaginal injections of hot water should be taken three times a day.

Fourth Annual Assembly of the Pennsylvania Chautauqua at Mt. Gretna

The Fourth Annual Assembly of the Pennsylvania Chautauqua will be held at Mt. Gretna, Pa. from July 1 to August 2, 1895, and the Pennsylvania Railroad Company will sell excursion tickets to Mt. Gretna, from principal stations in Pennsylvania, June 28 to August 2, inclusive, at reduced rates. The tickets will be good for return passage until August 5 inclusive. The beautiful Mt. Gretna Park is situated on the Cornwall and Lebanon Railroad, thirteen miles from Conewago station.

Tours to the North via Pennsylvania Railroad.

To provide the most attractive method of spending a summer holiday, the Pennsylvania Railroad Company has arranged to run two delightful tours to the North. The points included in the itinerary and the scenery traversed abound in nature's beauties. Magnificent scenery begins with the journey and ends only with its completion. The names of the places to be visited are familiar to all and suggestive of wonderland. No matter how much may be expected, one cannot be disappointed in Watkin's Glen, Niagara Falls, Thousand Island, Quebec, Montreal, Au Sable Chasms, Lakes Champlain and George, Saratoga, or the Highlands of the Hudson. The dates fixed for the departures of these two tours are July 16 and August 29, and the round-trip rate of \$100 from New York, Brooklyn, Newark, Trenton, Philadelphia, Harrisburg, Baltimore, and Washington will cover all necessary expenses during time absent. A beautiful descriptive itinerary can be procured from the tourist department of the Pennsylvania Railroad, 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia.

An Actual Occurrence

Several weeks ago, a distinguished legislator, not of Snyder county, however, was applied to for some free railroad passes. He was opposed to the issuing of free passes, but for particular reasons, he wished to oblige the applicant, who was an influential man in his district. After obtaining them he wrote the applicant as follows:

DEAR SIR: Enclosed herewith find passes as requested. In 30 days of your men rode on asses. Therefore accept these railroad passes; since then the world has made a stride. Now every jackass wants to ride.

Yours Respectfully,

Names are omitted above, but the letter is copied from the original.—Ex.

A Remarkable Cure of Rheumatism. Westminster, Cal., March 21, 1894.—

Some time ago, on awakening one morning, I found that I had rheumatism in my knee so badly that, as I remarked to my wife, it would be impossible for me to attend to business that day. Remembering that I had some of Chamberlain's Pain Balm in my store I sent for a bottle, and rubbed the afflicted parts thoroughly with it, according to directions, and within an hour I was completely relieved. My application had done the business. It is the best liniment on the market, and I sell it under a positive guarantee. R. T. HARRIS. For sale by J. W. Sampsell, Penns Creek, Pa.
