**OF INTEREST TO LADIES.**

We offer no apology in placing before you "The Ladies' Safe Protector," it is absolutely reliable, easily adjusted, does not become misplaced and insures protection. Can be worn when desired without observation or knowledge of another and prevents disagreeable annoyance under certain conditions. If you use it once you will never be without it. It is a faithful, safe and reliable friend whenever needed by special circumstances requiring its use. It is an article every woman should keep ready for immediate use. It is simple to use and inspires confidence to the woman using it. It is reliable and scientifically made, insures protection without injury to health, as any good physician would say. We are of the opinion that no article has ever been made which will give as much satisfaction to the woman of to-day as "The Ladies' Safe Protector." The immense sales of this article is a substantial endorsement of our claim. Do not therefore experiment with any of the numerous unreliable articles as it is both dangerous to health and expensive to do so. Such experimenting can only result in loss of time, disappointment and dismal failure. Ladies should remember this before ordering other goods and not waste their time and money on inferior articles. The best is always the cheapest. "The Ladies' Safe Protector" is sold under a positive guarantee for use for one year, with full directions and is sent sealed in plain wrapper upon receipt of express money order for \$2.00, three for \$5.00. Do not wait but order at once. Address THE LA CROSSE SPECIALTY CO., La Crosse, Wis.

**WEST BEAVER.**

T. F. Swineford spent last week at Allentown on business... The 4th of July was celebrated at McClure in its highest honor. The town was almost covered with red, white and blue. An old man said he believed there were about 14,000 people present. The addresses by the different speakers were appreciated by all. The parade was formed by the different orders of the town and the Sunday Schools. The Adamsburg Band furnished some choice music for the day. Capt. George Benfer, with his company of Brownies paraded the town in the evening. Geo. understands how to handle a set of wild men. The fire works in the evening were witnessed by a big crowd of people. In fact everything passed off quietly and every one seemed to be pleased with the day... Henry Treaster is still confined to the house. L. J. Romig still remains on the sick list... A. W. Potter visited McClure on the Fourth to take in the sights of the town. Judge Crouse was also a visitor... Children's day was observed at the St. John's Church on last Sunday afternoon. The church was crowded. Quite a lengthy program was carried out and all did themselves justice.

**Quay for the Best Interests.**

Senator Quay is nothing if not a brilliant political strategist, and he takes the reins in his own hands and stakes his political future on the issue of this contest. The mention of his name has already stirred the rank and file of the party all over the state. Senator Quay is standing in this contest as he always stood, for the best interests of the Republican party. Opposed to him are selfish spoliemen, who have banded themselves together in the hope of wresting the party leadership from his skillful hands. They were once his political friends. He made some of them financially and all of them politically. As to the eventual outcome of this political passage of arms there can be no doubt. Senator Quay will come off victorious. He will have delegates and to spare in the convention. His strong hold is in the country. It would well become the governor's high official position should he see fit to remain absolutely neutral in the present controversy, although it must be admitted that there are evidences that he leans to the side of the opposition party. So far as Crawford county goes, her Republicans will delight to do Senator Quay honor. Her delegates to the state convention will vote for him for chairman of the state committee beyond the peradventure of a doubt.—Titusville Herald.

**BIG PROFITS** ON Small Investments

Returning property will make many rich, but nowhere can they make so much in so short time as by successful speculation in grain, provisions and stock.  
**\$10.00 FOR EACH DOLLAR INVESTED** can be made by our **Systematic Plan of Speculation** originated by us. All successful speculation operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who systematic trading through Chicago brokers, make large amounts every year, ranging from few thousand dollars for the man who invests a hundred or two hundred dollars up to \$100,000 or more by those who invest a few thousand.  
It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.  
Our plan does not risk the whole amount invested on any trade, but covers both sides, so whether the market rises or falls it brings a steady profit that piles up enormously in a short time.  
**WRITE FOR CONTINUING PROOFS** also our Manual on successful speculation and our Daily Market Reports, full of money-making pointers. **ALL FREE.** Our Manual explains margin trading, highest references in regard to our standing and success.
