The State chairman says Potter's election was regular and there is no need for another election. He will not send the \$30, neither will be reply to Chairman Arbogast's letter. Colonel Gilkeson is confined to his ily.' bed in his room with a painful boil on his neck and a severe attack of the gout.-Phila, Times, Aug. 2.

The above special appeared in the Times last Friday. Evidently the spunky little corporal thought it was not necessary to squander \$30 on Snyder county especially since everybody seemed loyal to Quay. Last Fall when the state chairman had \$100,000 to squander he put Snyder county off with \$100. to pay the expenses of the campaign. Col. Gilkeson says that Mr. Potter had been legally elected. It is not likely that the Colonel would have said so if the Republicans of Snyder county had allowed Mr. Potter to go the Convention without the consent of the majority of the republican voters of the county. It always pays to be safe. The hot shot coming from Suyder county is not welcome news for Corporal Gilkeson.

### A. W. Potter for Judge.

The County Committee on Mon day passed a resolution urging the name of A. W. Potter for the nomination for a position on the Superior Court Bench. This endorsement means something. It is not simply an idle honor, but the warning note that a warm and vigorous campaign will be begun by his friends to secure the nomination of Mr. Potter at the coming state convention. His friends have already secured rooms at the Lochiel Hotel at Harrisburg to be opened up as headquarters for Snyder county's popular attorney. Large delegations are already preparing to go the convention.
