Tour to the North via Pennsylvania Railroad—The Last of the Season.

The last of the Pennsylvania Railroad Company's personally-conducted tours to the North will leave on August 30.

These tours traverse more than seventeen hundred miles of the most magnificent country, and a participant in the last tour, an extensive traveler, states that in his experience he has found no other tours of equal distance so replete in points of genuine interest, every one of which is well worth the trip. The stop at Quebec, a new feature, added greatly to the success of the last tour.

The names of the places to be visited are familiar to all suggestive of wonderland. No matter how much may be expected, one cannot be disappointed in Watkin's Glen, Niagara Falls, Thousand Islands, Quebec, Montreal, Au Sable Chasm, Lakes Champlain and George, Saratoga, or Highlands of Hudson. The round-trip rate of \$100 from New York, Brooklyn, Newark, Trenton, Philadelphia, Harrisburg, Baltimore, and Washington will cover all necessary expenses during the time absent. A beautiful descriptive itinerary can be procured from the tourist department of the Pennsylvania Railroad, 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia.

Milton's Big Fair.

The eleventh annual meeting of the Milton Driving Park and Fair Association will occur on the 3rd, 4th, 5th and 6th of September, and it will be the biggest and best meeting the society has ever held. The premiums and purses are more liberal than those of any other fair in the central part of the state. Extensive improvements have been made in the buildings and grounds and a fine exhibit in all departments of the

fair is promised. There is every promise of a large field of horses for the races. The society has just signed a contract with Fenz & Co., the famous booking agents, for exhibitions daily by the great Arab Troupe, Bark Ben Achmet—composed of three men and three ladies. The feats of this troupe are marvelous and they will give exhibitions each day of the fair. The railroads will all run specials and sell excursion tickets.

After a Long Courtship.

Friday morning's Philadelphia Times contains the following dispatch from Atlantic City: John Bilhime, aged 74 years, a well-to-do farmer of Turbotville, Pa., and Miss Annie E. Henion, aged 53 years, who hails from the same village, were married here to-night by Rev. Thomas J. Cross, of the First Baptist church. Mr. and Mrs. Bilhime, who have been courting for nearly thirty years, came to this city to-day on an excursion with no idea of being married. Mr. Bilhime suggested that the wedding take place at once. Miss Henion consented and no time was lost in securing a minister. The couple registered at the Stanton House and will spend their long-deferred honeymoon here.

"It is the best patent medicine in the world" is what Mr. E. M. Hartman, of Marquam, Oregon, says of Chamberlain's Colic, Cholera and Diarrhoea Remedy. "What leads me to make this assertion is from the fact that dysentery in its worst form was prevalent around here last summer and it never took over two or three doses of that remedy to effect a complete cure." BIG PROFITS Small Investments

Returning property will make many rich, but nowhere can they make so much within short time as by successful speculation in grain, Provisions and Stock. \$10.00 FOR EACH DOLLAR INVESTED can be made by our Systematic Plan of Speculation

originated by us. All successful speculation operate on a regular system. It is a well-known fact that there are thousands of men in all parts of the United States who are systematically trading through Chicago brokers, make large amounts every year, ranging from \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOF, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our standing and success. For further information address
