

**Students' Publishing Association.**

The Students organized the "Students Publishing Association of Susquehanna University" on September 3rd. A constitution was adopted and the following officers were elected: President, John I. Woodruff; Vice President, J. L. Hoffman; Secretary, Bruce A. Metzgar; Business Manager, M. M. Albeck; Editor-in-Chief, Prof. T. C. Houtz; Assistant Editor-in-Chief, Prof. John I. Woodruff; Locals and Personals, L. H. Wagner; Exchanges, Prof. Robert N. Hartman. The other Editors will consist of representatives from Philo and Clio Societies, the Theological Department and the Alumni Association. This move is a new departure in the history of the University and we trust that the students, alumni and friends of the institution will unite in lending their hearty support to the enterprise.

The Selinsgrove TRIBUNE of September 6th gives the account of Dr. Dimm's installation as follows: Last night interesting services were held in the Evan. Lutheran church in this place in connection with the induction of Dr. J. R. Dimm as President of Susquehanna University. Excellent music was furnished by A. W. Potter's choir. The address of the evening was delivered by Rev. Dr. Gilbert of Harrisburg, and the oath of office was administered by Dr. Weber, Vice President, of Sunbury. Dr. Gilbert's address was one of the most interesting educational addresses that probably has been delivered here during the existence of the educational institution in this place. Susquehanna University starts out, this fall under the most favorable auspices. A large number of new students have been enrolled, together with most of those of last year, and it now looks as if the institution was destined to enter on a successful and prosperous career. Our citizens are awakening to the great benefits the school will confer upon them, and they seem to be determined that there shall be no such a word as fail. The University has an able corps of instructors, and all who avail themselves as students will receive the best of educational, moral and christian instruction.

Rev. Jacob Yutz, who has been pastor of the Evan. Lutheran church in this place for nearly fourteen years, and who resigned his pastorage in order to accept a Professorship in the Susquehanna University, on Sunday last preached his final sermon as pastor. In a resume of his labors, he stated that he had preached over thirteen hundred sermons, addressed the prayer meeting and other church assemblages upon more than one thousand different occasions, and took in over four hundred members. He also stated that the congregation during his pastorage had contributed over \$7,000 for benevolent objects, purchased a pipe organ, and greatly beautified and improved the church edifice. His sermon was well received by the congregation.—Selinsgrove Tribune.

**OF INTEREST TO LADIES.**

We offer no apology in placing before you "The Ladies' Safe Protector," it is absolutely reliable, easily adjusted, does not become rusty, and insures protection. Can be worn when desired without observation or knowledge of another and prevents disagreeable annoyance under certain conditions. If you use it once you will never be without it. It is a faithful, safe and reliable friend when ever needed by special circumstances requiring its use. It is an article every woman should keep ready for immediate use. It is simple to use and inspires confidence to the woman using it. It is reliable and scientifically made, insures protection without injury to health, as any good physician would say. We are of the opinion that no article has ever been made which will give as much satisfaction to the woman of to day as "The Ladies' Safe Protector". The immense sales of this article is a substantial indorsement of our claim. Do not therefore experiment with any of the numerous unreliable articles as it is both dangerous to health and expensive to do so. Such experiments can only result in loss of time, disappointment and dismal failure. Ladies should remember this before ordering other goods and not waste their time and money on inferior articles. The best is always the cheapest. "The Ladies' Safe Protector" is sold under a positive guarantee for use for one year, with full directions and is sent sealed in plain wrapper upon receipt of express money order for \$2.00, three for \$5.00. Do not wait but order at once. Address THE LA CROSSE SPECIALTY CO., La Crosse, Wis.
