

SELINSGROVE.

CHRONIC MALARIA.

Frank Bousman of Millintown spent several days with his parents in this place last week. Dan Mattis of Philadelphia was in town last week. His sister, Mrs. Geo. Holmes accompanied him to Philadelphia. Newt Catherman has gone to Philadelphia to attend the Philadelphia College of Pharmacy. Rev. H. Havice and wife are the guests of the latter's parents Daniel Berg-stremer and wife on Water Street. Prof. Geo. W. Walborn of Freeburg visited our schools on Monday. C. H. Klose of McClure was in town last week. Mrs. Harry Boyer is visiting her parents in Bethlehem. Miss Mary Neotling is visiting friends in Bloomsburg. Mrs. Green and daughter Nettie, and Miss Hattie Linebach of Jersey Shore, are the guests of Mrs. John Shore on South Market Street. Mrs. P. A. Boyer is visiting in Huntingdon. Miss Mollie Burns is enjoying a visit to friends in Watertown. Mrs. Jacob Walter of Creamer is being entertained by her daughter, Mrs. James Row. Rev. DeJessen is making a trip through the northern part of the state. A party of young folks from Milton spent Sunday with Misses Dora and Annie Burns. The Georgetown ball club was defeated in a five inning game here on Monday afternoon by a score of 28 to 6. Stella Deobler's Sunday school class held their picnic near Hummel's mill on Saturday a week. Everything went lively until the coffee and lemonade was spilled.

The continuance of hot and dry weather is sure to produce the prevalence of chronic malaria. The past summer has been exactly suitable for the production of a great deal of malaria. Even in localities where malaria has been previously unknown many cases of malaria are developed. This form of malaria is distinguished from the old-fashioned fever and ague by the insidiousness of its attack and the difficulty with which it is cured. It does not come on quickly, like chills and fever. The symptoms pester and provoke sometimes for several weeks before the patient is made sick enough to take medicine. Slight, chilly sensations, cold, sweaty spells, frontal headache, biliousness, furred tongue, bad taste in the mouth, sticky mucous in the throat, constipation, languor, etc. A medical treatise on chronic malaria will be sent free by The Pe-runa Drug Manufacturing Company of Columbus, Ohio. This book is a complete guide to the prevention and cure of malaria in its various forms. Pe-runa has long since been recognized as the only infallible cure for the chronic form of malaria. While quinine has become the standard remedy for acute malaria, commonly called fever and ague, many people have found by bitter experience that it will not cure the chronic form. Pe-runa cures these cases promptly and permanently.

"While down in the southwestern part of the state some time ago," says Mr. W. Chalmers, editor of the Chico (Cal.) Enterprise, "I had an attack of dysentery. Having heard of Chamberlain's Colic, Cholera and Diarrhoea Remedy I bought a bottle. A couple of doses of it completely cured me. Now I am a champion of that remedy for all stomach and bowel complaints." For sale by J. W. Sampsell, Penns Creek, Pa.

Mr. J. K. Fowler, secretary and treasurer of the Corinne Mills, Canal and Stock Co., of Corinne, Utah, in speaking of Chamberlain's Cough Remedy says: "I consider it the best in the market. I have used many kinds but find Chamberlain's the most prompt and effectual in giving relief, and now keep no other in my home." When troubled with a cough or cold give this remedy a trial and we assure you that you will be more than pleased with the result. For sale by J. W. Sampsell, Penns Creek, Pa.
