**Treatment of Eczema and Salt Rheum.**  
These two complaints are so tenacious that the readers of The Post should know of the success obtained by using Dr. David Kennedy's Favorite Remedy. Where all other treatments have failed, it has made a complete cure.

Perhaps no more horrible case of Salt Rheum was ever reported than that of Wilbur L. Hale, quartermaster Pratt Post, G. A. R., Rondout, N. Y. Several physicians utterly failed to render him any relief; finally one of the physicians suggested that Dr. Kennedy's Favorite Remedy be tried and steady improvement followed its use, and a permanent cure resulted.

It is used with similar success in cases of scrofula, nervousness, kidney and liver complaints, and in all diseases brought about by bad blood and shattered nerves.

**PAULINE HALL.**

**Miss Hall Says Dr. Greene's Nervura Surely Cures.**

**She Recommends Dr. Greene's Nervura for the Weak, Tired, Nervous and Debilitated. Says it is the Best of All Medicines.**

MISS PAULINE HALL.

Pauline Hall, the empress of song, is celebrated the world over as the Representative American Beauty, who has in the presentation of her new operatic comedy, "Doreas," achieved the success of her eventful life. In a conversation with the representative of this paper she stated:

"I have in my professional experience essayed a number of roles that have been more or less trying upon the physical and nervous system, but in none that I have attempted have I ever experienced the terrific strain that the various characters which I assume in my new operatic comedy, 'Doreas,' have subjected me to. The assumption of one character in a presentation is generally conceded to be a sufficient undertaking for any one person, but in 'Doreas' I assume three, all different, and I might say diametrically opposite to each other.

"The terrific strain naturally resulting from such difficult work, which is a new and direct departure from anything I have ever presented to the public before, naturally had a very distressing effect upon me, and I was constrained to seek

some relief from the mental and physical exhaustion from my labors. After trying several remedies that were commended to me as being exceptionally good for the nervous exhaustion which I was subjected to, I was eventually induced to make a trial of Dr. Greene's celebrated Nervura, and the great relief which it afforded me was almost instantaneous in its effect, and I have no hesitation in unqualifiedly endorsing Dr. Greene's Nervura as the best tonic and restorer of a nervous and debilitated system of any remedy that I have ever tested. It is remarkable for the rapidity with which its restorative qualities assert themselves. It is absolutely harmless, and the instantaneous relief which it affords to the nervous and tired system is grateful in the extreme. I can readily understand why it is that so many hearty recommendations are given by people of prominence, especially those in our profession, for Dr. Greene's Nervura blood and nerve remedy, and my own experience justifies me in recommending it as absolutely the best remedy which I have ever used."
