Altgeld Right for Once.

To any candid critic of Governor Altgeld, of Illinois, it will be a genuine pleasure to record the fact that he is right for once.

The revival of business, says the Governor in substance, is not all that it is reputed to be. "All the boat," he continues, "about an increase of wages to the workingman is a great humbug. Wages are from 20 to 30 per cent. lower than they have been for years, with the possible exception of the time immediately following the panic."

This is true. Times are much better than they were a year or two ago. They are still improving, not because of the new tariff, but in spite of it. And still Governor Altgeld is right for once. The boast of increased Democratic wages is a humbug.—*Phila. Inquirer.*

Leshar is Mistaken.

The Selingsgrove Times makes the broad statement that the Tribune has called on the Middleburgh Post for aid in this senatorial fight.

This bit of information is all news to us. Mr. Lumbard never asked us for help in his warfare with the Times and if he had made such a request Mr. Lumbard would have been refused just as Mr. Leshar has been refused by us on two or three occasions when similar requests were made from us by him. (Leshar.)

At any rate the logic of the Times is so weak that it needs the attention of a physician. The Times alludes to a census enumeratorship for which our father had been slated. If this ex-democratic editor believes that this part of the slate was broken through broken promises of Lumbard, why should this exile from the democratic bulwarks have any reason to suppose that we would enter political affiliation with Mr. Lumbard?

We are under no political or other obligations to Mr. Lumbard, nor to any of the candidates for senatorial honors. We have not been asked for aid by any of them and of course we promised none.

The Post affiliates itself with no gang or political faction and our stand on the Senatorial situation was a voluntary movement suggested by the impropriety of the Times in stepping beyond its jurisdiction.

The Election.

Before another week will have passed our citizens will be called upon to go to the polls to vote upon the issues of the day. The Republican ticket stands pledged for honest money and protection to American industries. So far as Snyder county is concerned there will be no contest. Charles Wetzel, the candidate for county surveyor, is the only representative of any political party aspiring for position at the hands of Snyder county voters. This should not keep voters away from the polls. Do your duty. We owe an obligation to ourselves to do our share to renew business interests in Snyder county. Some signs of the revival of business are noticeable elsewhere in the state. This is due not to free trade policy, but in spite of it. Business interests are duller and money closer in Snyder county now than they have been at any previous time in the recollection of our oldest citizens. Note the straight Republican ticket and hasten the revival of business.

That Fake Supplement.

The Democratic newspapers that came to our office during the past week were nearly all loaded down with a supplement furnished by the Democratic State Central Committee. The sheet is intended only to

deceive and our readers should be careful to observe that out of the long list of industries represented as raising wages in 1894 only 13 of them raised wages before the sweeping republican victories, of last fall, which gave hope of a promised redemption. Then as a game of trickery and deceit "1894" is placed at the top of the 2nd and 3rd columns while it ought to be "1895." All these advances have been made since last fall's election when business men were assured that the people of this country were still favorable to Protection to American Industries.

By a careful scrutiny of the allegations in this infamous sheet the fallacies are most glaringly apparent. No one with any forethought and consideration can regard the statements made in this vile supplement with any degree of sincerity. They are false and as a just rebuke to the vituperations every citizen should vote the straight republican ticket.

How to Save Money and Health.

Most people have some trouble with their health which they would like cured if it could be done easily and cheaply. Dr. Greene, of 35 West 14th St., New York City., who is the most successful specialist in curing nervous and chronic diseases, makes the following offer: He gives you the privilege of consulting him, free of charge, through his great system of letter correspondence. Write him just how you feel and what symptoms trouble you. He will answer your letter, explaining your case thoroughly, telling just what ails you and how to get strong and well. He gives the most careful attention to every letter, and makes his explanations so clear that you understand exactly what your complaint is. And for all this you pay nothing. You do not leave your home, and have no doctor's fee to pay. The Doctor makes a specialty of treating patients through letter correspondence, and is having wonderful success. He is the discoverer of that celebrated medicine, Dr. Greene's Nervura blood and nerve remedy. If you write him at once you will doubtless be cured.

PAXTONVILLE.

Most of our farmers have finished husking corn. The corn crop about here has been very good this season. Charles Howell came home from the lumber regions and is doctoring a very bad cold. Rose and Clinton Shamory visited their sister, Mrs. Nace, near Millburg over Sunday. Miss Evora Attig, who had been living in Sunbury for some time, came home to stay for a few weeks. Addison Attig of Shamokin spent a few days at home gathering chestnuts. Miss Mollie Harner visited her sister, Mrs. Middleswarth, at Beavertown on Sunday. Charles Boyer went to the city this week to lay in a new stock of goods. Frank Miller is moving his family to Clinton county this week. He is engaged there in lumbering for Wm. Boyer. Wm. Wenrich rented Mr. Smith's farm in Irishtown. He will place a new pump in Howard Shambach's well last Saturday.

RHEUMATIC PAINS.

Dr. David Kennedy's statement that the real cause of Rheumatism is the imperfect action of the kidneys, and that Dr. David Kennedy's Favorite Remedy opened the clogged ducts, permitted the secretions to pass off, relief and comfort following as a natural result was so reasonable that sufferers seized at it with avidity and many a victim of Rheumatism, Sciatica and Lumbago has been cured by its use.

TROXELVILLE.

On Sunday Rev. W. M. Landis held communion services in the Grace Reformed church and next Sunday Rev. Hilbish will have similar services in the St. Luke's church. On Saturday Horace Hackenburger left for Bluefield, West Va., to resume his duties as stenographer and type writer in a R. R. office. Mrs. Elizabeth Seeman, Jacob Bingham's house-keeper, raised a red beet that measures 32 inches in circumference and weighs 16 pounds. I guess this beet beats all the beets and consequently takes the leather strap. Last Friday, soon after dinner, John A. Fetterolf's house caught fire and came near burning to the ground. There was a high wind prevailing at the time; but fortunately there was a lull in the wind of about two minutes in which time we got control of the flames and succeeded in finally extinguishing the fire. To-morrow, (Tuesday) Uncle Rob. will make another effort to capture a bear. This time he says no compromises will be accepted; and if Yost, or any one of the party will make a treaty, it will not be ratified. Geo. M. Getz commenced on the St. James' church to give it a new coat of paint. Last Tuesday Miss Annie Fetterolf came home from Milton for a short stay; and Miss Virginia Snook came for a long stay. Strange as it may seem, it is nevertheless true, that I have not seen a feather from either

one of the 121 quail that I had housed up all last winter, and liberated some time in April. What became of them I can't imagine. Small game is reported scarce, and large game there is not any, it seems, except bears. CAL. JOE.

DIED.

Oct. 18th, near Fremont, Annie Pearl, oldest daughter of Benjamin and Annie Minum, aged 14 years, 4 months and 24 days.

Mr. J. K. Fowler, secretary and treasurer of the Corinne Mills, Canal and Stock Co., of Corinne, Utah, in speaking of Chamberlain's Cough Remedy says: "I consider it the best in the market. I have used many kinds but find Chamberlain's the most prompt and effectual in giving relief, and now keep no other in my home." When troubled with a cough or cold give this remedy a trial and we assure you that you will be more than pleased with the result. For sale by J. W. Sampsell, Penns Creek, Pa.

There is one medicine which every family should be provided with. We refer to Chamberlain's Pain Balm. When it is kept at hand the severe pain of a burn or scald may be promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third the time otherwise required. Cuts and bruises should receive immediate attention, before the parts become swollen, and when Chamberlain's Pain Balm is applied it will heal them without matter being torn, and without leaving a scar. A sore throat may be cured in one night. A piece of flannel dampened with this liniment and bound on over the seat of pain, will cure lame back or pain in the side or chest in twenty four hours. It is the most valuable, however, for rheumatism. Persons afflicted with this disease will be delighted with the prompt relief from pain which it affords, and it can be depended upon effect a complete cure. For sale by J. W. Sampsell, Penns Creek, Pa.

"For years I had suffered from falling of the womb, inflammation of the stomach, and weakness of the female organs. I used Lydia E. Pinkham's Vegetable Compound, and found a perfect cure in it for these troubles." Mrs. LIZZIE DECLINE, 224 Grand Street, Jersey City, New Jersey.
