**ALINE.**  
 The protracted meeting at the St.  
 Thomas church is in a prosperous  
 condition. The teachers are happy  
 because they think of Institute. The  
 people were again encouraged  
 by the refreshing rain on Saturday  
 night. T. K. Hornberger is happy  
 because of the increase in his family.  
 We are glad to say that Eugene  
 Markley, who left a few weeks ago  
 for C. P. C. and is progressing  
 rapidly. The Literary Society at  
 Shmeller's school house has proved  
 to be quite a success.

**KREAMER.**  
 Ralph Heintzelman of Sunbury  
 was home on a visit last week. Jacob  
 Hummel of Paxinos came  
 home last week. J. R. Heintzel-  
 man and family attended his father's  
 funeral at Pallas on Friday. A. C.  
 Smith is giving his store room a new  
 coat of paint. Prof. McKeen, the  
 blind man, had a concert in the  
 church on Friday evening, and got  
 in a racket with one of the trustees  
 after the concert.

**MIDDLE CREEK.**  
 The squeal of the porker is now  
 heard, which reminds us of buck-  
 wheat cakes and sausage. Mattern  
 & Steinger have again hooked  
 their engine to their saw-mill and  
 are ready to do sawing. Last week  
 one night Isaac Dreese's saw-mill,  
 on the Tilman Wender property  
 was entirely destroyed by fire. Goss  
 Bros. & Hartman are again  
 working at their props after two  
 weeks' delay on account of a broken  
 wagon. Geo. C. Rheam and Geo.  
 I. Kline were the guests of Jesse  
 Knepp on Saturday and Sunday. Mason  
 Knepp and Harvey Heim-  
 bach were visiting in Lewistown on  
 Saturday. Henry Maurer of Lew-  
 istown was at home over Sunday.

**WEST BEAVER.**  
 Some of our farmers began plow-  
 ing, others are not done husking  
 corn. Our sheriff had been seen on  
 our streets last week attending to  
 the sales he has in this end. T. F.  
 Swineford is now living on sparrow  
 soup; cause, teeth drawn. Geo.  
 Hanbrick and wife of Millin county  
 were visiting at Aaron Moyer's last  
 week. Wm. F. Howell's teams are  
 busy hauling props from the Aaron  
 Sinsley tract. Our nimrods report  
 small game scarce, but plenty of  
 bear. The party or parties that  
 stole that poor old woman's corn in  
 Bannerville should be hung to the  
 first lamp post in the town. The  
 Senior Inspector and his clerk have  
 had some very hot words in regard  
 to their pay for services at the late  
 election. The law fixes their pay so  
 both parties must be satisfied with  
 the pay the Judge gives them after  
 taking in the returns. Hurley

**Fisher has an appointment on the main line as operator with headquarters at Granville Station. J. Steely spent Sunday with his parents at Middlecreek. Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lot of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by J. W. Sampsell, Penns Creek, Pa.

# THE MAYOR'S ADVICE.

Mayor Wing of Montpelier, Vt., Heartily Endorses Dr. Greene's Nervura.

Mayor Wing Used Dr. Greene's Nervura in His Family with Marked and Decided Benefit. Makes all Strong and Well.

HON. GEORGE W. WING, MAYOR OF MONTEPELIER, VT.

Hon. George W. Wing, Mayor of the Capital City of Vermont, is a man of high eminence. A distinguished lawyer, he has served his state in many high offices, having been Deputy Secretary of State, occupied a position in the State Treasury, was Postmaster of Montpelier, and was elected to the State Legislature in 1882. Owing to his great popularity, he had the distinguished honor to be elected Mayor of Montpelier, a position he now fills with illustrious success.  
 When such a man, occupying so high a position in the community, endorses the great curative powers and recommends the sick and suffering to use Dr. Greene's Nervura blood and nerve remedy, no one will hesitate for a moment to use this grand medical discovery, great restorer of health and strength.  
 Mayor Wing says: "I have used Dr. Greene's Nervura blood and nerve remedy in my family, with marked and decided benefit. "Especially has it been useful in insomnia, arising from indigestion and its attendant evils. I think well of Dr. Greene's Nervura blood and nerve remedy, and freely grant permission to use this letter in advertising it."  
 You who suffer from nervousness,

nervous weakness, the exhaustion of nervous debility, the tired condition attendant upon poor blood and low vitality, the nerve-wearing pain of neuralgia or rheumatism, who pass sleepless or restless nights and wake mornings tired and unrefreshed, with dull-foeling head, bad taste in the mouth, and go to your occupation languid, nerveless, dispirited, without your old-time energy and ambition, do not lose a moment in securing this grand strengthener and invigorator, Dr. Greene's Nervura blood and nerve remedy. It is purely vegetable and harmless, and it will surely make you well.  
 It is not a patent medicine, but the prescription of the most successful living specialist in curing nervous and chronic diseases, Dr. Greene of 35 West 14th St., New York City. He has the largest practice in the world, and this grand medical discovery is the result of his vast experience. The great reputation of Dr. Greene is a guarantee that his medicine will cure, and the fact that he can be consulted by anyone, at any time, free of charge, personally or by letter, gives absolute assurance of the beneficial action of this wonderful medicine.
