

to the Golden Gate and Florida via Pennsylvania Railroad.

That the public are quick to recognize the advantages of the Pennsylvania Railroad Company's perfect personally-conducted tourist system is exemplified by the annual increase in the number of participants in the tours organized under that system. Aside from this, the growing desire of Americans to see the wonders of our own land is also an important factor in advancing this healthy sentiment in favor of travel.

This season's tours to California will be conducted in all respects as those of preceding years, and will include New York and Philadelphia on February 12 and March 11, 1896. On the first tour a stop will be made at New Orleans for the Mardi-Gras activities, and four weeks will be spent in California. On the second tour four and one-half weeks will be spent in California.

In addition to the Golden Gate, series of tours to Jacksonville has been arranged. The tours will leave New York and Philadelphia January 28, February 3, 11, 18 and 25, and March 3, 1896, and allow two weeks stay in the "Land of Flow-ers."

Detailed itineraries of these tours will be sent on application to Tourist Agent, 1106 Broadway, New York, or Room 411, Broad Street Station, Philadelphia.

**MERRICK SPEAKS.**

The Tioga leader in behalf of the Farmers' interests in the last Legislature endorses our representative.

Blossburg, Tioga Co., Pa. Nov. 25, '95.

Editor Post:— I have learned that Mr. Herman is again a candidate for re-election to the House of Representatives. Permit me to express the hope that he will again consent to serve the people of Snyder county and the State of Pennsylvania in that capacity. You will pardon me for saying it, but I feel that with such men in the legislature, there is hope for better legislation, for the passage of laws that will not be a stain upon our statute books. We can hope to see an effort made to so legislate that the people may at least have an equal chance with the corporations. I believe the next legislature will enact some laws in the interest of reform and of the people and Mr. Herman who stood so courageously, firmly and conscientiously for the people during the last session ought to be there when he will have more assistance in his battle for right than he had at his first session.

Under the recognized leadership of Senator Quay we are bound to secure many reforms in the interests of good government and he needs such men as your representative to aid him in his great undertaking. If the people of Snyder county are as intelligent, earnest and zealous of their rights as they are reputed to be, they will insist that he again represent their interests as fearlessly and ably as he did before. His experience will now greatly aid him and his people.

Yours very truly,  
WALTER T. MERRICK.

**Death of William A. Haas, Jr., '88.**

(A Tribute to His Memory By a Class-mate.)

It is with sorrow that we chronicle the death of one of our classmates and thus realize that our ranks have been broken. Your correspondent thought that a few facts might be stated in addition to those which appeared in the September number of the JOURNAL. For some of the facts we are indebted to the excellent sketch that appeared in the Reformed Church Messenger from the pen of Rev. J. C. Leibach, of Sunbury, Pa. W. A. Haas, Jr., was born near Sunbury, Pa., on March 20th, 1869. He was consecrated to the Lord in Holy Baptism and afterwards took upon himself the solemn vows of confirmation, thus becoming a member of the Reformed Communion. That he was an active church member is evident from the fact that he served for several years as librarian of the Reformed Sunday School at Selinsgrove, Pa., and as organist of the congregation. Upon his removal to Philadelphia, he did not forget the church of his choice, but cast in his lot with the "Church of the Strangers" and remained a faithful Christian up to the hour of death. Our dear classmate had a bright and promising future before him. But at the early age of 26 years, 4 months and 14 days he was called away from earth, to try the realities of another world. The old saying that "Death loves a shining mark," has been most strikingly illustrated in the case of our deceased brother, Haas. To those of us who had been associated with him in the classroom and knew him so well, he was especially near and dear. The more his classmates learned to know him, the more they loved him and appreciated his moral worth. "Truth and grandeur" stand ready to testify to his noble life.

**Two Little Children Made Strong and Well by Dr. Greene's Nervura.**

**My Mother also Restored to Health by That Grandest of All Medicines, Dr. Greene's Nervura Blood and Nerve Remedy.**

MRS. H. SILVER'S LITTLE ONES.

Strong, vigorous and healthy children are what we all want, and how to keep our little ones in good health is a question of the greatest interest to us all. Children are peculiarly liable to nervous disorders; they become nervous, restless, fretful, cross and irritable; their night's sleep is not calm and restful, but they toss restlessly from side to side, murmur or talk in their sleep and wake tired and unrefreshed in the morning. They have an irregular appetite, grow thin and pale, look slight and puny, and their growth and development become stunted.

If your children are sick, give that greatest of all children's remedies, age, and its curative and restorative effects are wonderful.

MRS. H. SILVER.

Dr. Greene's Nervura the great nerve and blood invigorant and health restorer. This wonderful remedy is above all, a family medicine, and its name is a household word in thousands of homes all over the land. It is made from pure and harmless vegetable remedies, is calming, soothing and healing to the nerves, and at the same time strengthens and invigorates the entire system, restoring a healthful color to the cheek, refreshing sleep, strong nerves, stout limbs, and that bounding health and vitality, which all children should have. It is perfectly safe to give to children of any

Mrs. H. Silver, of 142 Lewis street, New York City, was not only restored herself to health by Dr. Greene's Nervura blood and nerve remedy, but her two children, whose portraits are here given, were made strong and well by this grand medicine.

Mrs. Silver says:—"I was nervous for four years so that I could do nothing. I went to different doctors, but none could help me. I read so much in the papers about Dr. Greene's Nervura blood and nerve remedy that I thought I would try it. After the first bottle I felt relieved, so I used a couple of bottles more and now I am all right again. I thank Dr. Greene's Nervura for the good it did me."

"I also have two little girls who were sick, weak, and run-down, to whom I gave Dr. Greene's Nervura blood and nerve remedy. It did them so much good that I cannot be thankful enough. It made them well and strong again, and they are now, thanks to this wonderful remedy, healthy and vigorous. Before I took Dr. Greene's Nervura blood and nerve remedy I could not eat or sleep. I could not do my housework, but now I am like a different woman. I give this testimonial that other sufferers may read it and know the good Nervura did me and my children."

Use Dr. Greene's Nervura in all nervous diseases of infants and children, and see them improve in health and strength every day and hour.

It is not a patent medicine, but the prescription of the most successful living specialist in curing nervous and chronic diseases, Dr. Greene, of 35 West 14th St., New York City. He has the largest practice in the world, and his grand medical discovery is the result of his vast experience. The great reputation of Dr. Green is a guarantee that his medicine will cure, and the fact that he can be consulted by anyone at any time free of charge, either personally or by letter, gives absolute assurance of the beneficial action of this wonderful medicine.
