Our Annual Thanksgiving.

One day of every year is set apart for giving thanks to an Almighty and Supreme Ruler. This is the day set apart for this special service. The past year has witnessed many exigencies, but as a nation we should give thanks to-day for the earliest signs of returning prosperity and business revival. The smoke of factories, heretofore idle, is again beginning to ascend in graceful curves and indicating with substantial signs the coming of an era of good feeling. It would be ungrateful for a people to witness the flight of panic-stricken terror and not pour forth a volley of grateful remembrance.

As a state we need but take a peep at our natural resources to convince us of the goodness of an All-wise Creator. The mines, the mountains and good, old mother earth have overdone themselves in yielding a large crop. Wheat, potatoes, corn, iron and coal have been produced in vast abundance and the capacity of consumption has been overtaxed.

As a county, we yield nothing in our emulation for an outpouring of unsurpassed gratitude. Our people pay interest on \$24,000 less than they did last year. The homes and Jewellings are bonded and mortgaged for that much less. Business is in a better shape from the fact that old debts have been paid and few new obligations have been made.

Personally we return thanks for the kindness and consideration of the readers of the Post, who have so generally supported us and the paper we represent. From a circulation of 1464 copies at Thanksgiving Day last year the Post has grown during the last year so that now it has a circulation of 2160 copies every week. This increase is due to the goodness of the many friends of the Post. It is this increase is due. With this we could not have accomplished our marvelous growth. Let us all give thanks! As a nation, as a state, as a county and as individuals, let us all give thanks.

A Deserving Man.

We clip the following notice from one of our exchanges:
"It is said ex-Senator Harlan is a candidate for cashier of the State Treasury to succeed the State Treasurer elect."
The appointment of Mr. Harlan would be a meritorious recognition of valuable services in behalf of the triumph of Republican principles. Ex-Senator Harlan is a faithful citizen, a conscientious christian and a dutiful, painstaking official. His service for Chester county in the Senate was a remarkable record of genuine faithfulness. We regret that Mr. Harlan was not the successful candidate for State Treasurer and now it is due this faithful servant that he be honored with the position of cashier of the State Treasury.

Free, and What Everybody Wants.
Perfect health and strength, to dare and to do, that's what you want and you know it. Here is a sure way to get it. Dr. Greene, of 35 West 14th St., New York City, is the most successful specialist in the world in curing nervous and chronic diseases. He is also the discoverer of that wonderful medicine, Dr. Greene's Nervura blood and nerve remedy. He has established a remarkable system of letter correspondence, by which you can write him about your complaint, telling just how you feel and stating each symptom from which you are suffering. He will answer your letter, describing your case thoroughly and telling you a sure way to regain health and strength. And for all this you have nothing to pay. He gives most careful attention to every letter, and describes each symptom so exactly that you cannot fail to understand precisely what ails you. He makes a specialty of curing patients through letter correspondence. You have no fee to day and you don't have to leave home. Here is the best opportunity you ever had to get well. Will you accept or reject it?
