

FLAG RAISING.

Last week was flag raising week. I as Senior Wise Commander of 384 G. A. R. of Middleburgh, thought it my duty to appoint a committee, which consisted of James Shuman, W. R. Jones and H. H. Renninger. On Friday, Dec. 14, I called upon the committee to meet at the Senior Commander's house, where there was a very patriotic committee of ladies awaiting who had the flag and all marched to the Frank schools which are taught by Mrs. Erdley and Louisa Walter. The flag was started Mrs. Jones and Mrs. Renninger started all chorus and sang "hoist up the flag and long may it wave." The committee of ladies consisted of Mrs. W. R. Jones, Mrs. H. H. Renninger, Mrs. James Shuman and Mrs. Louisa Walter, wife of the Senior Wise Commander. I think it should be the duty of every school director to have every teacher to see that a flag is raised at every school in the county to teach the children the meaning of the American flag for which we all died so nobly and many others who bled and died for our country's sake. We all know that it is the honor of our county Superintendent to have flags raised at every school in the county. There are more schools in our district than I think will also be supplied with flags before Christmas. We are very thankful to the ladies who nobly assisted us in our work.

ELIAS MINIEM,
Senior Wise Commander.

A CRY FOR HELP

RESULT OF A PROMPT REPLY.

Two Open Letters that Should Suggest to Thousands of American Women to go and do Likewise.

(SPECIAL TO OUR LADY READERS.)
LITTLE FALLS, MINN., May 11, 1894.
"I am suffering, and need your aid. I have terrible pains in both sides of my womb, extending down the front of my limbs and lower part of my back, attended by headache and pains in the back of the neck and ears.

The doctors have given me opiates to quiet the pain. I have a very high fever nearly all the time. I am nervous, and cannot stand. My doctor says I must keep in bed. Now I place myself under your care. I am only twenty-one years old, and too young to suffer so much. — MRS. CHAS. PARKER.
The above letter was received by Mrs. Pinkham at Lynn, Mass., May 15, 1894, which received a prompt reply.
The following letter reached Mrs. Pinkham about five months later. Note the result.
LITTLE FALLS, MINN., Sept. 21, 1894.
"I deem it my duty to announce the fact to my fellow-sufferers of all female complaints, that Lydia E. Pinkham's treatment and Vegetable Compound have entirely cured me of all the pains and suffering I was enduring when I wrote you last May. I followed your advice to the letter, and the result is simply wonderful. May Heaven bless you and the good work you are doing for your sex!" — MRS. CHAS. PARKER.
All the druggists in town say there is a tremendous demand for Lydia E. Pinkham's Compound; and it is doing lots of good among the women.
If you are sick and in trouble write to Mrs. Pinkham. Relief awaits you.

PAXTONVILLE.

James Bowersox, the skilled mechanic of Middleburgh, assisted by Charles Dobson put up the job. Mrs. Austin Gift visited her daughter, Mrs. John Sterner at Sunbury over Sunday. Clarence Shambach, son of Charles Shambach of Michigan, is visiting friends at this place. It is thirteen years since they left here and moved to Michigan. Charles Middlewarth and family of Ohio visited James Stout's a few days last week.

Relief for Rheumatism.
"This information," said a well known physician to a correspondent of the TELEGRAM, "may save many lives; at any rate it will prove an invaluable boon to people suffering from rheumatism in any form."
"Rheumatism is caused by acidity of the blood. It should never be neglected. This remedy, as I know by long practice, is very efficacious and as simple as it is powerful."
"Here it is," he added, "when a rheumatic twinge is experienced, the patient should buy a bottle of Dr. David Kennedy's Favorite Remedy and take one teaspoonful in milk or water to suit the action of the bowels, three times a day, and continue daily until the last vestige of the malady has disappeared. That's all, but if taken as I have prescribed, it will save many doctors' bills, to say nothing of pains, aches and swellings. I've never known it to fail." — Albany, N. Y., Telegram.
