Yours, very truly, B. F. WAGENSELLER

Ep Post .—Having been Honored by the Republicans of Snyder county with the nomination for State Senctor in 1992, for which I am very greatiful, and having used every honorable means at the district conferences, tasting five weeks, and being the longest and hardest fength contest ever known in our Schaffel district. At last conceeding to the claims of Northumberland county never had a nomination in the district. Second. That Northumberland county never had a nomination in the district. Second. That Northumberland county polis more depublican votes than Union and Snyder together. And realizing the fact, that a nomination must be made soon, or the chances of the whole district would be leopardized and by the advice of friends and representative Republicans of Snyder county, who knew the situation. I instructed my conteres to vote for our present Senator, the Hon. Wm. R. Hisckenburg, which would bring our county in line for the district nomination in 1896. The time is approaching when the Republicans of Snyder county will be called on tomake another nomination, and knowing the fact that Union and Northumberland counties have each been honored, and each by the conferees of Snyder county. It is quite natural to suppose Snyder county, it is quite natural to suppose Snyder county, it is quite natural to suppose Snyder county. It is quite natural to suppose Snyder county, it is quite natural to compete so our party, and if elected, will use every endeavor to serve my constituents to the best of my ability.

Respectfully Submitted,

ED. M. HUMMEL.
