

Candidate Cards.

CONGRESS. I am a candidate for re-election to Congress. I must respectfully submit my candidacy to the Republicans of Snyder county and request their support. THAD M. MAHON.

STATE SENATOR. I herewith most respectfully submit myself as a candidate for State Senator, subject to the rules and usages of the Republican Party. In this connection I herewith state that I have never held the honorable position, I pledge myself to represent my constituents to the best of my ability. It shall be my highest ambition to represent them honestly and faithfully. My party loyalty has never been brought into question; the regular nominees of the party have always received my ardent and unqualified support. In no political campaign have I ever deserted the standard of Republicanism, and when I suffered defeat it was through no agency of mine, and as I have stood in the past I pledge myself for the future I have served my country on the tented field when with hundreds of thousands of brave and patriotic American citizens, we offered our young manhood upon the country's altar and many of them sealed their devotion to the cause of liberty and union with their heart's best blood. Without egotism I can say my war record is a good one, and I am proud to say that I was a soldier in the war for the Union. I have twice been the senatorial standard bearer and although I polled many more votes than the state ticket the Democratic majority was too strong to overcome. I was nominated as a foreign hope, accepted the trust and honor that the majority is Republican in the district. I feel that my claims for the nomination at this time should be considered by all, and my years are such that if I am ever to represent the district, the Senate will be the time. Earnestly soliciting the support of my fellow citizens, I have the honor to remain, Yours, very truly, H. P. WAGENSELLER.

FOR ASSEMBLY. TO THE REPUBLICANS OF SNYDER COUNTY.—The 15th of February has been selected as the date for nominating a ticket that is to be submitted to the people in November next. Among the important and responsible positions to be filled is that of Member of the House of Representatives. The legislative branch has always been regarded as the Keystone in the arch of State and Federal government and the people should always guard with a jealous eye this bulwark of their liberties. No man who does not place the good of the people above the selfish ambition or gain of the few should be permitted to go anywhere in any representative capacity. He who basely betrays the people into the hands of conspirators and extortioners deserves to be reprobated, at the first opportunity, on the other hand, the man who dares to defend the right as he sees it, worthy of the kind consideration of his fellow citizens. The people of Snyder county instruct their interests in the Legislature. The sessions of the legislature of 1896 and 1898, for the purpose of saying whether or not the confidence was betrayed, I submit my candidacy for re-election to the legislature to the judgment of an intelligent constituency. I most cordially solicit the support of all Republicans at the coming Primary. Very sincerely, CHAS. W. HERMAN, SHERIFF.

Cancer Of the Breast. Mr. A. H. Crausby is one of the best known and most highly respected citizens of Memphis, and resides at 158 Kerr street in that city. Some years ago his wife noticed a small lump in her breast. She thought nothing of it, but it increased in size rapidly, and soon broke through the skin and commenced to discharge. She was at once put under treatment of the best physicians, but they very soon found that they could do her no good, and simply prescribed antiseptics to keep the place clean. Both her grandmother and aunt, by the way, had died with cancer, and when apprised of this fact the doctors said that they would not attempt to save her; that she was incurable. Although the cancer had by this time become deep-seated and her health very low, one of the most noted specialists of New York then treated her. After treating her awhile, this doctor admitted that the

case was hopeless and further treatment useless. "It is difficult to imagine how despondent we all became," said Mr. Crausby, "knowing that she must die and unable to give her any relief. I had spent over five hundred dollars with the best medical skill to be had, and felt that there was no further hope. "One day I happened to read an advertisement of S. S. S., recommending that remedy for cancer, and in view of the failure of the most eminent physicians in the country, I confess I had little faith left in any human agency. However, I purchased a bottle of S. S. S., and to my delight it seemed to benefit her. After she had taken a couple of bottles the cancer began to heal, and astonishing as it may seem, a few bottles more cured her entirely. You can probably better understand how remarkable this cure was when I explain that the cancer had eaten two holes in the breast two inches deep. These healed up entirely, and although ten years have elapsed, not a sign of the disease has ever returned, and we are assured of the permanence of the cure, which we at first doubted. "As my wife inherited the cancer, I certainly regard S. S. S. as the most wonderful remedy in the world, and it is truly a Godsend to those afflicted with this terrible disease. You may be sure that I shall always be grateful to that remedy, for without it my home would now be desolate and my children motherless. "The above is but one of many remarkable cures being daily made by S. S. S. Cancer is becoming alarmingly prevalent, and manifests itself in such a variety of forms, that any lump, sore or scab, that matters not how small, which does not readily heal up and disappear may well be regarded with suspicion. We will gladly send to any address, full accounts of several other cures fully as remarkable as this one. For real blood troubles, S. S. S. has no equal. It wipes out completely the most obstinate cases of blood diseases, which other remedies do not seem to touch. S. S. S. gets at the root of the disease, and forces it out permanently. S. S. S. is guaranteed purely vegetable, and is a positive and permanent cure for Scrofula, Eczema, Cancer, Rheumatism and all traces of bad blood. Our valuable books will be mailed free to any address.
