

**SOME GOOD NEWS.**

Dr. Salm, whose large Ad. you will see on another page was born, raised and educated in Germany, which our German friends can easily verify, as he speaks that language perfectly. His foreign Diploma is endorsed by the Bellevue Hospital Medical College of New York, by the Jefferson Medical College of Philadelphia, and by the State Board of Medical Regents of New York State. Considering that these endorsements can only be obtained after a strict examination in all branches of Medicine and Surgery, we are certain that the Doctor understands his business, otherwise he could not have obtained them. Hence we do not hesitate to recommend him to you. Call on him, at his next visit in Middleburgh, at the Washington Hotel, on Tuesday, January 28. Consultation and Examination will cost you nothing.

**Up-To-Date Journalism.**

The most important news centers of the world to-day are Cuba, where the revolution is steadily gaining ground; Venezuela, where preparations are being made to sturdily resist British aggression; London, where the British vultures with reference to the Venezuelan and South African disputes will first come to light; and Washington, where the Venezuelan Committee will begin its work and where Congress is wrestling with subjects of vital interest to all classes of the American people.

In order to get the news from these great centers promptly and accurately "The Philadelphia Press" has established Julian Ralph in London; has started Col. George W. McGinnis in Venezuela; has located William F. Mannix in Cuba and has strengthened its corps of special Washington correspondents. Every phase of events which will probably prove the most exciting of this decade will be fully reported and graphically illustrated. "The Press" is admittedly the leading newspaper of Pennsylvania and one of the greatest of the national newspapers of the country. In this enterprise it leads all competitors.

Many merchants are well aware that their customers are their best friends and take pleasure in supplying them with the most reliable and valuable goods obtainable. As an instance we mention Perry's Chamberlain, prominent drug lists of Elmira, Michigan. They say "We have no hesitation in recommending Chamberlain's Cough Remedy to our customers, as it is the best cough medicine we have ever sold, and always gives satisfaction." For sale at 25 and 50 cents per bottle by W. Sampson, Penns Creek, Pa.

**KREAM.**

On Sunday in Kumbach, wife and grandson, Samuel Keller, were driving over the hill to New Berlin, the trace road while ascending a very steep hill, side of which is an embankment about one hundred and fifty feet high. The horse tore loose and ran to the top of the hill where he stopped and waited. The buggy ran down the embankment and when near the bottom upset. The occupants fell out at the top of the hill.
