CONGRESS.
I am a candidate for reelection to Congress. I must respectfully submit my candidacy to the publicans of Snyder county and request their support.
THAD M. MALON.

EDITOR WAGENSELLER.—I have decided to seek the suffrage of the people of Snyder county in my candidacy for reelection to the 55th Congress. After mature deliberation I have arrived at this determination. I will add that I am desirous of securing no man's candidacy, will compromise on no terms whatsoever and propose to use all honorable means to obtain the endorsement of the people of Snyder county and afterward to secure the nomination in the district. My years of experience and observation in Washington have familiarized me with the intricacies of the political system that will enable me to be of immediate service to my constituents. The next Congress will be one of vast importance and I trust that my services will be fully appreciated. I am a man of the county conversant with a representative's duties should be selected. Snyder county is entitled to the nomination and I respectfully solicit their favor.
EDWIN S. ARNOLD.
Washington, D. C.

STATE SENATOR.
To My Fellow Republicans.

I herewith most respectfully submit myself as a candidate for State Senator, subject to the rules and usages of the Republican Party. In this connection I desire to state, that if nominated, I pledge myself to represent my constituents to the best of my ability. It shall be my highest ambition to represent them honestly and faithfully and after the manner in which they have been brought into question; the regular nominees of the party have always received my ardent and unqualified support. In no political campaign have I ever deserted the standard of Republicanism, and when it suffered defeat it was through no agency of mine, and if I have stood in the past I pledge myself for the future to stand with the party of the brave and patriotic American citizens. I offered and being unopposed, I was elected to the office of State Senator in the year 1896 and many of them sealed their devotion to the cause of liberty and union with their blood. Without egotism I can say my war record is a good one, and I am proud to say that I was a soldier in the war for the Union. I have twice been the Senatorial standard bearer and although I polled many more votes than the state ticket the Democratic majority was too strong to overcome. I was nominated as a forlorn hope, accepted the nomination in the district, I feel that my claims for the nomination at this time should be considered by all, and my years are such that I can ever represent the district in the Senate. This will be the time—earnestly soliciting the support of my fellow citizens. I have the honor to remain,
Yours, very truly,
B. P. WAGENSELLER.

EDITOR.—Having been honored by the Republicans of Snyder county with the nomination for State Senator in 1892, for which I am very grateful, and having used every honorable means at the district conference, holding five weeks, and being the most and largest vote-getter, I feel that I am entitled to a senatorial district. At last conceding to the claims of Northumberland county, which were first Northumberland county, never to be a nomination in the district. Second, that Northumberland county be more Republican votes than Union and Snyder together. And realizing the fact, that a nomination must be made soon, or the chances of the whole district would be jeopardized and by the advice of friends and representative Republicans of Snyder county, we agreed to accept the nomination and I, as a Republican from all parts of the county, who knew the situation, I instructed my votes to vote for my present Senator, Hon. H. H. Backenbush, who was elected, and bringing our county in line for the district nomination in 1896. The time is approaching when the Republicans of Snyder county will be called on to make another nomination, and knowing the fact that Union and Northumberland counties are each being honored, and each by the success of Snyder county in 1892, but on the other hand have not been commended, I would respectfully ask the Republicans of Snyder Co. to give me a second nomination, subject to the approval of our party, and I will use every endeavor to serve my constituents to the best of my ability.
Respectfully submitted,
ED. M. HUMMEL.

I respectfully announce myself as a candidate for State Senator at the next Republican Primary Election. I have heretofore had the honor of representing Snyder county in the State Legislature, and the record of my course therein fully shows that in all my actions, I have invariably consulted the interest of my people, as is shown in all the legislation that passed with me as a member. On all school laws, road laws, fish laws, and in short I was the main organizer and true supporter who brought about the law that gave the children of our commonwealth free text books in our common schools. I was a faithful supporter of the law that gave relief to the farmer by retaining the school appropriation from two millions to five millions. It is an appropriation that the people are to-day enjoying. I have been a warm friend of the soldier, but only by word, but not in reality, which I am now empowered, if through your aid as voters I am accorded this nomination and election as Senator for this district, I will give you a faithful discharge of the duties devolving upon me with special reference to the interests of Snyder county. Trusting that you may feel justified in casting your ballot for me as well as in rendering me such other support as you may be able to command, I remain,
Your obedient servant,
E. W. TOOL.

FOR ASSEMBLY.

TO THE REPUBLICANS OF SNYDER COUNTY.—The 18th of February has been selected as the date for nominating a ticket that is to be submitted to the people in November next. Among the important and responsible positions to be filled is that of Member of the House of Representatives. The legislative branch has always been regarded as the keystone in the arch of State and Federal government and the people should always guard with a jealous eye this bulwark of their liberties. No man who does not place the good of the public above the selfish ambition or gain of the few should be permitted to go forward in any representative capacity. He who basely betrays the people into the hands of conspirators and extortioners deserves to be repudiated at the first opportunity. On the other hand, the man who dares to defend the right as he sees it, who is worthy of the kind consideration of his fellow citizens. The people of Snyder county interested in their interests into my hands during the sessions of the legislature of 1896 and it is for them to say whether or not the confidence was betrayed. I submit my candidacy for reelection to the legislature to the judgment of an intelligent constituency. I most cordially solicit the support of all Republicans at the coming Primary.
Very Sincerely,
CHAS. W. HERMAN.
