great mistake to rely upon the and potash remedies with dy which is only a tonic, and cannot possibly touch a real blood trouble. Scrofula is a stubborn and deep-seated disease of the blood, and all of the min-

eral mixtures in the world cannot cure leature was an excellent addity as it. S. S. S., a purely vegetable com-mericanism by Co. Supt. , w- pound, gets at the root of the disease and permanently rids the system of it. It is a real blood remedy, for real blood diseases, and has no equal. Here is an interesting case where the

doctors were absolutely at sea. Mrs. Y. T. Buck is the highly esteemed

wife of a well-known and prosperous farmer residing near Delaney, Arkansas. we hope it will go out like a Fortwenty-five years she has been troubled with a deep-scated blood disease that baffled the skill of the doctors. She says: "Some doctors called my trouble Eczema, some Salt Rheum, and others Scrofula, and though their treatment continued for years, they could not cure me. I then began taking various medicines, and took nearly every advertised

MRS. V. T. BUCK. blood remedy. One especially which makes such large claims for curing dis-cases of the blood, I drank by the whole sale, but it did not seem to reach my trouble. A celebrated specialist said he could cure me and I paid him in ad-vance, but he filled me full of arsenic and I became bloated and my digestion so bad that life was a misery. I then applied to Dr. W. C. Dabney, an old practitioner and medicine manufacturer, who advised me to take S. S., saying that one dozen bottles would cure me. I took four bottles and my body broke out in boils and eruptions, but the doctor told me that these symptoms were very onfired to the house from his cine gets rid of the poison matter permanently. After I had used six bottles the to be around again from his late eruptions began to disappear, my appetite improved, my digestion became all right, and having finished the twelve bottles, I am perfectly healthy, my skin Id at McClure on last Saturis clear, the capillary circulation is good, and I would not be in my former condition for two thousand dollars." S. S. S. never fails to cure a blood Inep (the Hall blacksmith) to puble. Scrofula, eczema, rheumatism, ccutagious blood poison, and in fact any di order of the blood is promptly wiped on and cured by it. Do not rely upon a

sim le top/e to cure a deep-seated blood roll of honor last week dises e, but take a real blood remedy.
S. S. S. has made some wonderful tearge. That goes to show, cures of cancer, and we would be pleased ore fried by a vast amount to ses I full accounts of same to any address! We will also mail our books on blood and skin diseases upon application. Why?

The Union and Advertiser of Roches ter, N. Y., recently published the following interesting account of how W. W. Adams of 127 South avenue, that city was saved from a painful opera tion by the use of Dr. David Kennedy's Favorite Remedy.

Mr. Adams says : "Three years ago I was taken with kidney disease very badly; at times I was completely prostrated; in fact, was so bad that the day was set for the doctors to perform an operation upon me. But I decided I would submit. I had been put in hot water baths, and in fact, nearly every means was tried to help me. Upon the day set for the operation I commenced the use of Dr. David Kennedy's Favorite Remedy, and from that moment began to gain and it was not long before I was entirely cured and have bad no return of the trouble since. My weight has increased and I never was so well as I am now. I have recommended
