

ANTONVILLE.
Wednesday night a freight wrecked nearly a mile west of the village which resulted in the destruction of a number of cars. However no one was hurt. We had sacramental in the United Evangelical Church Sunday morning. Rev. St. Presiding Elder of the church was with us and preaching powerful sermons on Saturday morning and Sunday evening. Mr. Snyder of the village visited at this place over Sunday. Rev. Foster U. Gift visited his parents last Sunday. F. C. Bowersox and family visited his mother over Sunday. Frank Troup and daughter of the village are visiting here at present. Miss M. J. Bruner, after being in Clinch County nearly a year, came home over Sunday. She still wears a pleasant smile.

Most Welcome News to Sufferers From Female Complaints.

A fact our women who suffer from female complaints and are frequently weak, tired, nervous, and out of full of pains and aches do not have the same opportunity as do the male sex to get relief. The female sex is debarr'd from seeking the aid of the great and skilled physicians owing to the cost of a visit to the large city and the high charges by such specialists. There is, therefore, a chance for our sick and suffering women of our country which should not be overlooked. Dr. Greene, of 35 West 14th Street, New York City, who has the best practice in the world and who without doubt the most successful specialist in curing female complaints, offers to give free consultation by mail to all women suffering from these distressing weaknesses, irregularities, pains and irregularities. You have the privilege of consulting Dr. Greene by letter describing your complaints and he will, after carefully considering your condition, send a letter carefully explaining all your symptoms, telling you everything about your complaints so that you will understand exactly what ails you. He will also give you his advice, based upon his experience and wonderful success in treating such cases, as to what to do to get cured. All this will cost you nothing and you will have consultation with the best known and acknowledged most successful specialist in the world without leaving home and at no expense whatever. The doctor is the discoverer of that greatest of all our own medicines, Dr. Greene's Blood and Nerve Remedy, which he has discovered many other valuable remedies. Write to him now about your case, for this is your chance to get cured which you may never have again.

The farmer who owns their own farms and who they go are the most independent order of people on earth and as a rule are not so restless. If the rising generation of farm boys could see things as they really are they might be inclined to start on a small scale and extend their borders as they are. The boy should not expect to be in life as "well fixed" as his father, after working for a life time. Farm life has more sunshine, balmy breezes, good health, bird songs, luscious fruit, pure water and air, wholesome food, than any other. And if the farmer is out of debt he has a clear conscience, he has less anxiety than people of any other calling.

Not to be Trifled With.
(From Cincinnati Gazette.)
Will people never learn that a "cold" is an accident to be dreaded, and that when it occurs treatment should be promptly applied? There is no knowing where the trouble will end; and while complete recovery is the rule, the exceptions are terribly frequent, and thousands upon thousands of fatal illnesses occur every year ushered in by a little invidious exposure and seemingly trifling symptoms. Beyond this, there are to-day countless invalids who can trace their complaints to "colds," which at the time of occurrence gave no concern and were therefore neglected. When troubled with a cold use Chamberlain's Cough Remedy. It is prompt and effective. 25 and 50 cent bottle for sale by all druggists.

Beware of the Knife!

No one who has not been through the ordeal, can possibly have any conception of the terrible fear and dread occasioned by the anticipation of a surgical operation. Well grounded, too, perhaps, in a majority of cases, for the keen blade of the surgeon is too often used indiscreetly, and where it cannot possibly do any good.
It is a little less than folly to submit to a surgical operation for a disease of the blood, and such a course always proves either fatal or useless.
Mr. Lincoln Nelson, of Hartsville, Mo., had an interesting experience with the doctors recently, and was on the verge of a painful surgical operation. He writes: "I had been told by several of my friends that the best cure for my trouble was a surgical operation. For six years I have been a sufferer from a scrofulous affection of the glands of my neck, and all efforts of physicians in Washington, D. C., Springfield, Ill., and St. Louis, failed to reduce the enlargement. After six months' constant treatment here my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S. S. S., and laying aside a deep-rooted prejudice against all patent medicines, I began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S. S. S. long ago, I would have escaped years of misery and saved over \$150. If this endorsement will serve you in any way use it."
This experience is like that of all who suffer with deep-seated blood troubles. The doctors can do no good, and even their resorts to the knife prove either fruitless or fatal. S. S. S. is the only real blood remedy; it gets at the root of the disease and forces it out permanently.
Cancer is another disease for which the doctors at once resort to the knife, and there has never been a case cured by an operation. S. S. S. has made some wonderful cures of Cancer, full accounts of which will be sent out upon application.
S. S. S. is a blood remedy for real blood troubles; it cures the most obstinate cases of Scrofula, Eczema, Cancer, Rheumatism, etc., which other so-called blood remedies fail to touch. S. S. S. gets at the root of the disease and forces it out permanently. Valuable books will be sent free to any address by the Swift Specific Co., Atlanta, Georgia.

Must Use the Knife

Said the Surgeon, but Dr. David Kennedy's Favorite Remedy was taken and the Knife Avoided.
The Union and Advertiser of Rochester, N. Y., recently published the following interesting account of how W. W. Adams of 127 South avenue, that city was saved from a painful operation by the use of Dr. David Kennedy's Favorite Remedy.
Mr. Adams says: "Three years ago I was taken with kidney disease very badly; at times I was completely prostrated; in fact, was so bad that the day was set for the doctors to perform an operation upon me. But I decided I would submit. I had been put in hot water baths, and in fact, nearly every means was tried to help me. Upon the day set for the operation I commenced the use of Dr. David Kennedy's Favorite Remedy, and from that moment began to gain and it was not long before I was entirely cured and have had no return of the trouble since. My weight has increased and I never was so well as I am now. I have recommended
DR. DAVID KENNEDY'S FAVORITE REMEDY
to many people, for it saved my life."
In speaking to Mrs. Adams, she said "About a year ago I was in a very feeble state of health, being completely run down. I had doctored considerably, but without permanent relief. One day one of my neighbors advised me to take Dr. David Kennedy's Favorite Remedy, which I did. My trouble was dyspepsia, and for a long while I was unable to be about at all; but after taking a few doses I was completely cured, and now enjoy good health."
Hundreds of men and women with that "run down" condition, unable to work, have recovered health and strength through this remarkable remedy. It purifies the blood, stirs the liver and kidneys to a healthy action. In cases of rheumatism, kidney, liver and urinary troubles, it is a well known specific.

Simon S. Hartman, of Tangleton, West Va., has been subject to attacks of colic about once a year, and would have to call a doctor and then suffer for about twelve hours as much as some do when they die. He has taken recently just the same as at other times, and concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says: "I took one dose of it and it gave me relief in five minutes. That is more than any thing else has ever done for me." For sale by all druggists.

After using it for three days my rheumatism was gone and has not returned since. For sale by all druggists.
