

KREAMER.

[Deferred from last week.]

We are glad to state that Miss Erma Magee, formerly of Mazepa, has come into our little town to make her home with her brother, James Magee. She was accompanied by her stepmother Mrs. Magee and Miss Monch. Welcome to our village, Miss Magee. Miss Nora Erdley gave a party last week to her friends from Freeburg, Salem, and this community. Miss Izora Walter is at present visiting his sister Mrs. Jas. Row of Selingsgrove. It seems everybody is moving this spring as there are fittings going in every direction. Quite a number of our people have gone away to work for the summer, among whom were Daniel Mangle and family who have gone to New York to make their permanent home. We are sorry to have our old citizens leave. John Fields has been housed up for several weeks with rheumatism. Mrs. Fields is sick also; she had a severe attack of La grippe. Albert Gutelius of Phila. spent a few days last week with his brother N. C. Gutelius. Wm. Snyder moved off his farm and is now living retired in the house formerly occupied by Eli Keeler.

ALINE.

[Deferred from last week.]

Some people are busily engaged in preparing to move this week, and many will taste the realities of new homes. Adam S. Kairiter of Salem and Edward Frymoyer of Selingsgrove are visiting their parents and friends at this place. Mr. Kairiter will stay till the weather gets more favorable, but Mr. Frymoyer stayed only over Sunday. The Sunday school will be fully organized next Sunday. Rev. Saylor P. E. of this district of the Evangelical Association preached at this place on last Saturday evening. Levi S. Gehlert the General agent for fertilizers, is away employing agents. Jacob Haines and family were the guests of David Minium's on Sunday.

BEAVER TOWN.

A pretty and appropriate service was rendered by the Union Sabbath school on Easter Sunday. Every adult, visitor and member received one colored egg; each child received two. Jacob H. Haine has begun the erection of a foundry at the west end of town. N. Wilson Agler is building a wagon shop on the rear end of his lot. Business matters detained R. W. Jacobs and Jacob Zelig of Huntingdon in town a few days recently. Rev. L. Dice moved his family from Loganville to this place. John Dreese of Halstead, Kan., and A. L. Greene of Newton, Kan., are making a brief sojourn here. J. P. Wetzel and wife visited at Paintersville the latter part of last week. Miss Annie Snyder is enjoying the hospitality of friends at Harrisburg. Miss Gertrude Bingmann is visiting at Reedsville. Dr. and Mrs. Miller, Henry Weaver and wife spent Sunday at Trovelville. Miss Maggie Middlesworth is visiting her sister, Mrs. Will Neitz, at Sunbury. Week of prayer is observed in the Lutheran church this week.

WEST BEAVER.

The groundhog has his reputation down below, as the weather was playing around zero last week. F. C. Peter and his father, also J. J. Steely made a business trip to Mifflin county last week. The weather at this writing has prevented the farmers from doing any of their spring work. Johnny Wagner had a shooting match the other day and wound up by shooting his old watch dog "Wasser". The stock folks are all reported to be improving. The movings at this end are too numerous to enumerate but they all report well pleased with their exchanges. If there should be a prize offered for bad roads West Beaver would get the cake every time. The surprise party given in behalf of Jacob Erb last week was well attended and some valuable presents given. W. F. Herbst and wife spent Sunday with some of their Lowell friends. Squire Howell of McClure was seen on our streets on the 4th attending to the old Vets pension papers. James Baker is now running a sugar camp and expects to realize 1000 barrels of syrup more or less for his season's work. J. I. Howell made a business trip to Beaver town last Friday.

PAXTONVILLE.

Asulin Gift showed a log last Wednesday for Charles Boyer on Swengies mill that made seventy-two fence rails, the log being only ten feet long. Quite a number of our young people attended the P. O. S. of A. Banquet at Middleburg last Tuesday evening. John G. Sterner and family of Sunbury visited his wife's parents at this place over Easter. Robert Stout's of near New Berlin visited Joseph Brunner's on Sunday. Irene Dobson went to Sunbury to stay for a few weeks. Uriah Howell came home from the lumber works to spend Easter with his family. Melvin Harner and Wilson Gift left for Central Pa. College on Monday.

During the winter of 1893, F. M. Martin, of Long Reach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly grown in favor and popularity. For sale at 25 and 50 cents per bottle by all druggists.

Democrats in Session.

The Democratic County Committee met in the court house at Middleburg on Monday, April 6, and after electing R. C. Fiss, Chairman, and Jay G. Weiger and Joseph L. Marks Delegates to the Democratic State Convention, adopted the following resolutions:

Whereas: We recognize in ex-Governor Robert E. Pattison, a Genus in Politics, a Friend of the Poor as well as the Rich, an able Defender of the interests of the Great Commonwealth of Pennsylvania.

Resolved: That we do most cordially join in the popular movement to secure for him the Presidency of the United States.

Resolved further: that we endorse the rule for the next Democratic State Committee, and request the Delegates to this County to vote for the same, believing, that in Unity there is Strength.

The meeting was one of the most harmonious held for years, and the unanimous sentiment of the Committee was to east out of the Party and sever all political and business relations with the Reprobate, "Joe Leshner," Editor of the Selingsgrove Times. PAUL BILLHARDT, Sec.

Why wear out with coughing, at night, when Ayer's Cherry Pectoral will relieve and cure?

Blood and Nerves are very closely related. Keep the blood rich, pure and healthy with Hood's Sarsaparilla and you will have no trouble from nervousness. Get only Hood's. Hood's Pills are the best after-dinner pills, assist digestion, prevent constipation. 25c.

Dr. Talmage as an Explorer.

Nearly two years ago Rev. Dr. Talmage, the celebrated preacher and lecturer, started on his now famous tour of the world, for the purpose as he declared at the time, of studying all the religious beliefs of the different races of mankind, and if he could find a better one than Christianity, embracing it. This was a startling declaration to begin with, and his discoveries and revelations appear to be none the less startling. In fact the Doctor has added to his reputation as the greatest living religious orator, that of a famous explorer as well. His discoveries and adventures are fully as interesting as those of Stanley or Livingstone, and equally as valuable, because they relate to different races of people and other parts of the world, and throw a wonderful light upon the most important subjects that come within the range of man's investigation.

His route led him first across the continent from New York to San Francisco, thence to Samoa and the Sandwich Islands, the Islands of the Pacific, Australia, Borneo, India with all its wonders and mysteries, Egypt and up Nile to the borders of ancient Ethiopia, Syria, Palestine over St. Paul's Mediterranean Sea voyage Greece, Italy, Spain, Europe, the British Isles, Russia, and across the Atlantic to the place of sailing.

Throughout this tremendous journey he was accompanied by his secretary and well supplied with the most approved photographic apparatus, by which means he was enabled to describe and photograph the people, scenery, historical places, and other subjects of universal interest at the time and as he saw them. It is now being published, under the appropriate title of "THE EARTH GIRDLED," and the author declares, in an autographic letter to his publisher, that he considers it the most vigorous work of his life. It is illustrated with over 100 photographic views, the most curious and wonderful, doubtless, that ever appeared in a book. Eight of these photographs have been reproduced in natural colors which add greatly to their interest and beauty.

"THE EARTH GIRDLED" will be circulated exclusively by means of canvassers, and it certainly affords an extraordinary opportunity to all who desire paying employment. See publisher's announcement in another column of this paper.

AN AFFIDAVIT.

This is to certify that on May 11th, I walked to Melick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm for inflammatory rheumatism which had crippled me up. After using three bottles I am completely cured. I can cheerfully recommend it.—Charles H. Wetzel, Sunbury, Pa.

Sworn and subscribed to before me on August 10, 1894.—Walter Shipman, J. P. For sale by all druggists, 50 cents per bottle.

"For years I had suffered from falling of the womb, inflammation of the stomach, and weakness of the female organs. I used Lydia E.
