WONDERFUL are the cures by
 Hood's Sarsaparilla, and yet they
 are simple and natural. Hood's Sarsa-
 parilla makes **PURE BLOOD.**

It will be an agreeable surprise to
 persons subject to attacks of bilious
 colic to learn that prompt relief may
 be had by taking Chamberlain's Colic,
 Cholera and Diarrhoea Remedy. In
 many instances the attack may be
 prevented by taking this remedy as
 soon as the first symptoms of the dis-
 ease appear. 25 and 50 cent bottles
 for sale by all druggists.

**Cancer
 Of the Breast.**

Mr. A. H. Crausby, of 158 Kerr St.,
 Memphis, Tenn., says that his wife
 paid no attention to a small lump which
 appeared in her breast, but it soon de-
 veloped into a cancer of the worst type,
 and notwithstanding the treatment of
 the best physicians, it continued to
 spread and grow rapidly, eating two
 holes in her breast. The doctors
 soon pronounced her incurable. A
 celebrated New York
 specialist then treat-
 ed her, but she con-
 tinued to grow worse
 and when informed
 that both her aunt
 and grandmother had
 died from cancer he
 gave the case up as
 hopeless.

Someone then re-
 commended S.S.S.,
 and though little hope remained, she
 began it, and an improvement was no-
 ticed. The cancer commenced to heal and
 when she had taken several bottles it
 disappeared entirely, and although sev-
 eral years have elapsed, not a sign of
 the disease has ever returned.

**ATTENTION
 To Supervisors.**

The attention of supervisors
 and taxpayers is called to the use
 of sewer pipe for small bridges.
 It will save money and annoy-
 ance by using sewer pipe instead
 of small wooden bridges. Sewer
 pipe, once put in, will remain, not
 swaying out and replacing of
 planks, no bumping of vehicles
 when driving over. Write or ask
 for prices before you repair your
 old wooden bridges.
 Yours Respectfully,
 J. W. SWARTZ,
 THOMAS HEINRICH,
 PHILIP HERMAN,
 Commissioners.

Kidney Trouble Cured

The importance of knowing just
 what to do when one is afflicted with
 kidney disease or troubles of a urinary
 nature, is best answered by the
 following letter which was recently
 published in the Poughkeepsie,
 N. Y. News Press:

MILLERTON, Dutchess Co., N. Y.
 "Dr. David Kennedy, Dear Sir:—
 For more than eighteen months I was
 so badly afflicted with kidney trouble
 I could scarcely walk a quarter of a
 mile without almost fainting. I did
 not gain any until I began to use Dr.
 David Kennedy's Favorite Remedy.
 After using the first bottle I noticed
 a decided improvement which con-
 tinued, and I knew that

**DR. DAVID KENNEDY'S
 FAVORITE REMEDY**

saved my life, for I was in a miserable
 condition up to the time I began to
 take it—my friends thought I would
 never be better.
 My sister also has been very sick
 with bladder trouble for over a year,
 so bad that quantities of blood would
 come from her. She suffered at times
 most frightful pain, and nothing
 seemed to help her until she began
 the use of Dr. David Kennedy's Fa-
 vorite Remedy. She is now using her
 third bottle, and is like a different
 person.
 MRS. THOMAS DYE.

**FINANCIAL
 MONEY.**

Jay Gould, who accumulated one of the largest
 fortunes ever made in Wall Street, said: "The
 secret of successful speculation is concentration
 of capital."
 We follow this plan by confining in our Fi-
 nancial Trust Department the accounts of
 numerous customers, making one investment
 which is protected by the combined capital of
 all, and making pro-rata divisions of profit semi-
 monthly among the members of this Department.
 During the past seven months we have made
 semi-monthly divisions of profit amounting to
 100 per cent, and the prospects for the future are
 brightening. Not one dollar entrusted to us
 in investment in our Financial Trust De-
 partment has ever been lost. Write for full
 particulars which will be mailed free.
