## Kidney Trouble Cured

The importance of knowing just  
what to do when one is afflicted with  
kidney disease or troubles of a urinary  
nature, is best answered by the  
following letter which was recently  
published in the Poughkeepsie, N. Y., News Press:

MILLINGTON, Dutchess Co., N. Y.  
Dr. David Kennedy, Dear Sir:

For more than eighteen months I was  
so badly afflicted with kidney trouble  
I could scarcely walk a quarter of a mile  
without almost fainting. I did not gain any until I began to use Dr. David  
Kennedy's Favorite Remedy. After using the first bottle I noticed  
decided improvement which con-  
tinued, and I knew that

**DR. DAVID KENNEDY'S  
FAVORITE REMEDY**

saved my life, for I was in a miserable  
condition up to the time I began to take it—my friends thought I would  
never be better.

My sister also has been very sick  
with bladder trouble for over a year,  
so bad that quantities of blood would  
come from her. She suffered at times  
most frightful pain, and nothing seemed  
to help her until she began the use of Dr. David Kennedy's Fa-  
vorite Remedy. She is now using her  
third bottle, and is like a different person.

## FINANCIAL MONEY.

Jay Gould, who accumulated one of the largest fortunes ever made in Wall Street, said, "The secret of successful speculation is concentration."

We follow this plan by combining in our **Financial Trust Department** the accounts of numerous customers, making one investment which is protected by the combined capital of all, and making pro rata divisions of profit semi-monthly among the members of this Department.

During the present year we have had de-

signable dividends of proven amounting to 197 per cent, and the prospects for the future are

very flattering. Not one dollar entrusted to us

## ATTENTION To Supervisors.

The attention of supervisors and taxpayers is called to the use of wooden bridges. You will save money and convenience by using sewer pipe instead of small wooden bridges. Sewer pipe, once put in, will remain, no wear out and replacing of pipes, no bumping of vehicles when driven over. There is no price for before you repair your old wooden bridges. Yours Respectfully.
