OUR COINS.—The latest business is worked on the home and country storekeeper, who claims to be a treasurer looking for counterfeits. He asks the farmers to submit their specimens. He puts on

silver dollars a chemist which turns them black and spurious and takes him. He also warns him that they are liable to carrying counterfeit money in session, and causes them very quiet about the matter helping him along in his business.

The international chess between the United States and Canada, which resulted in Uncle Sam, was played by the moves were made as follows: if the player were on opposite sides of the Atlantic. The sides were fairly equal in strength hung in the balance to very close of the contest.

It will be an agreeable surprise to persons subject to attacks of colic to learn that prompt relief can be had by taking Chamberlain Cholera and Diarrhoea Remedy. In many instances the attack is prevented by taking this soon as the first symptoms of ease appear. 25 and 50 cent bottles for sale by all druggists.
