Why the Papers Were Delayed.

A disastrous wreck, in which two trainmen were slightly injured, occurred last Wednesday on the P. R. R. at Lehman Place, near Lancaster. Sixteen freight cars were wrecked, and the road was blocked until late in the afternoon. The cause of the wreck was the collision of a local freight, which was shifting a coal car, with a west-bound freight, which was hurrying to reach a siding to allow News Express to pass it. The latter train was held up by a wreckage, and the passengers were transferred. The mail and newspapers were not transferred until late in the afternoon, and the New York and Philadelphia papers did not reach Middleburg until next day.

We believe, however, that no better use could be made of one of these quarters than to exchange it for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, a medicine that every family should be provided with.
