

WEST BEAVER.

Wm. Peter went to Millin county to work for A. Reigle on the Allison farm. Some of our stove mills are just making about half time on account of the machinery getting out of order. E. Peter is making some vast improvements on his home by having the inside painted and grained. His son, Frank, is doing the work. J. J. Steely has been working for the Gross Brothers at the mountain making hay ladders. The question is where are they going to get the hay to fill them, some of our farmers, by the looks of their fields, will not get one load. McClure had another big day on last Saturday, this time the public sale of Mrs. John Wagner, deceased. The water works at McClure for supplying the trains gave out last Friday. The late rains of last week replenished everything. Some of our small streams were entirely dried up. James Steely has resigned his position with Milton G. Reitz, and accepted a job in a New York barber shop. Our lumberman John O. Goss has been busy for the past week in getting his new saw mill in running order to give employment to his men. If we only had a few more such men as J. O. Goss the men could be found. Our township auditors were called on last week by Mr. Lash to hold an inquest on some dead sheep and the result was "Sheep slaughtered by some valuable dogs." H. D. Knapp of Millin county paid his coal mine a visit on last Saturday. At this writing the prospects for coal are improving. Our Sheriff was visiting some of our law abiding citizens last week. J. J. Steely expects to move to Millin county shortly on the farm he bought last week. Hurley Fisher of Millin county spent Sunday with his grand parents at Crossgrove. By all appearances there will be some wheat cut in a few weeks at this end.

Great Cures proved by voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess power to purify the blood and cure disease. Hood's Pills are especially prepared to be taken with Hood's Sarsaparilla.

CENTREVILLE.

G. W. Sheary, who was visiting his parents for several days, returned on Monday to Shepton, Pa., where he is working at the carpenter trade this summer. Minnie wore a smiling countenance. Harvey J. Buffington and Otto Tobias of Middleburgh were in town over Sunday. James Crossgrove, who was painting at Richfield, returned home last week. Wm. Sampel and daughter of Michigan are visiting friends here at this writing. Dr. H. C. Brunner, a graduate of Jefferson Medical College, attended the State Medical examination last week. Mrs. Wm. Hunt is on the sick list. We were taken by surprise when we received the information that there was a wedding on Saturday evening; the contracting parties being Moses Bateman, the gentlemanly assistant miller at the Penn's Creek Mills, and Miss Ella, the beautiful and accomplished daughter of J. E. Shinkel, Esq. We extend to them our heartiest congratulations, hoping their boat may sail peacefully down life's ocean. The K. L. C. E. of the United Evangelical church will hold a festival on Saturday evening, June 27, in Walker's grove, 1/2 mile west of town.

Hood's Sarsaparilla has over and over again proved by its cures, when all other preparations failed, that it is the One True BLOOD Purifier.

McCLURE.

Wm. Dreese and family of East St. Louis, Mo. are visiting friends and relatives in this section, being called here by the serious illness of his brother, James Dreese, Will, was in the cyclone but luckily it passed over his head. He says the horrors thereof cannot be told. Bark season being about over W. F. Howell took in for shipping several hundred cord. James Dreese, our good neighbor and citizen, is seriously ill. Tommy Marks' house is fast approaching completion under the management of Philip H. Will. The log slide is once more being repaired for active service. Mrs. Beck of Perry county is visiting here among friends. Isaac Shirey's new barn is almost finished. When completed it will have a first class barn. Our live supervisor, John A. Fisher, is putting our public roads in a first class condition. J. C. Pheasant is the boss strawberry raiser in this section. One berry measured 6 inches in circumference. The prospects for a good crop of wheat and hay are very discouraging.

OCCASIONAL.

SELINGSGROVE.

Sellinggrove is sporting a new paper this week. Its title is "Susquehanna Journal" and is issued by the students of the University. Children's Day exercises were held by the members of the M. E. and German Reformed Sunday Schools. The Sellinggrove ball club went to Millersburg on Saturday. Rain stopped the game after the first inning in which neither side scored. Millersburg plays here next Saturday. Milton Jarrett, Harry Forgy, Samuel Spahr and Joseph Covert, who have been bridging in Philadelphia, are spending a few days at their homes in this place. Dr. Voelker of Milton was in town on Tuesday. Several friends from the Bloomsburg Normal visited C. G. Hendricks over Sunday. M. L. Smith, with his family, moved from this place to Drifton, last week. Mrs. C. H. Klose of Adamsburg is visiting her parents, Val. Bolig and wife.

MIDDLE CREEK.

On the bill-of-fare,—peas and new potatoes. The much needed rain came on Saturday and Sunday. Seen on our streets last week,—David Deifenbach of Lewistown. Mrs. E. F. Goss, who had been sick for several weeks, is slowly recovering. Miss Nora Knepp left for Reedsville last week where she intends to spend the summer. Prospecting for coal has begun in earnest. A steam drill is at work with which it is intended to go down several hundred feet if necessary. At present writing (Monday) they are down about 58 feet, having passed through several strata of different kinds. The most notable was one of about 2 inches which seemed to be nearly pure coal. At the depth of about 20 feet water was struck which constantly sends forth a strong stream of sulphur water.

If it required an annual outlay of \$100.00 to insure a family against any serious consequences from an attack of bowel complaint during the year there are many who would feel it their duty to pay it; that they could not afford to risk their lives, and those of their family for such an amount. Any one can get this insurance for 25 cents, that being the price of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost every neighborhood some one has died from an attack of bowel complaint before medicine could be procured or a physician summoned. One or two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount? For sale by all druggists.

HOFFER.

The people of this vicinity are talking of building a new church at Paradise. Jno. E. Ross purchased Henry Witt's bottling works and is now ready to sell all kinds of soft drinks. Edger Rische, our busy blacksmith, is repairing buggies, wagons, etc. The festival at the Grubb church last Saturday evening was well attended. Jumbo is erecting a new stable in Shaftertown. E. E. Bohner is putting up a new house.

Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centers in the stomach, gently stimulates the Liver and Kidneys and aids those organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion and is pronounced by all who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at Graybill, Garman & Co., Richfield, Drug Store.

Bucklen's Arnica Salve.

THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by Graybill, Garman & Co., Richfield and all Druggists.

SCROFULA CURED

E. C. Caswell of Brockport, N. Y., says: "I was terribly afflicted with scrofula, and had lost all hope of being cured. A friend advised me to take"

DR. DAVID KENNEDY'S FAVORITE REMEDY

which I did with great benefit, and I recommend it to others." It restores the liver to a healthy condition, and cures constipation, scrofula, rheumatism, dyspepsia, and all kidney, bladder and urinary diseases.

W. B. PRATT, Secy.

FREEBURG.

The closing exercises of the Musical College were attended by a large and appreciative audience. Prof. Billhardt is recognized wherever he is known as a thorough musician. Miss Krall is a fine elocutionist, charming singer and an accomplished player on the piano. Mr. Moyer will retain these teachers and the prospects for the next term are quite flattering. The Spring Term of the Freeburg Academy will close on the 18th. Prof. Wulborn and Boyer have been quite busy during the term. They will have Normal Class in July. The evening of July 4th will be observed in Freeburg by a display of fire works. Rhamstine, the painter has finished Bassler's house and is now engaged in finishing the outside painting of the Musical College.

Cancer of the Breast.

Mr. A. H. Crausby, of 158 Kerr St., Memphis, Tenn., says that his wife paid no attention to a small lump which appeared in her breast, but it soon developed into a cancer of the worst type, and notwithstanding the treatment of the best physicians, it continued to spread and grow rapidly, eating two holes in her breast. The doctor soon pronounced her incurable. A celebrated New York specialist then treated her, but she continued to grow worse and when informed that both her aunt and grandmother had died from cancer he gave the case up as hopeless.

Someone then recommended S.S.S. and though little hope remained, she began it, and an improvement was noticed. The cancer commenced to heal and when she had taken several bottles it disappeared entirely, and although several years have elapsed, not a sign of the disease has ever returned.

A Real Blood Remedy.

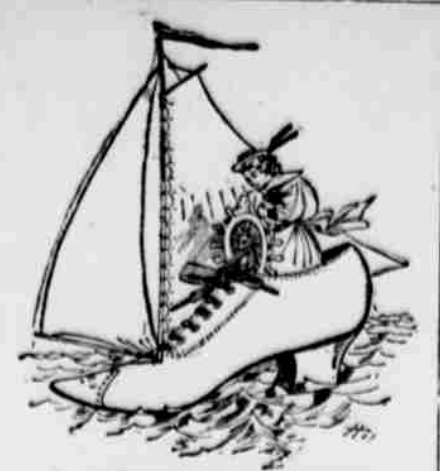

S.S.S. (guaranteed purely vegetable) is a real blood remedy, and never fails to cure Cancer, Eczema, Rheumatism, Scrofula, or any other blood disease.
