

SIAMOKIN DAM.

(To) late for last week.) Children's day was observed in grand style in the Lutheran church on Sunday evening. The choir rendered some choice pieces and the children, especially the infant class, under the management of Misses Daisy Brown and Minnie Fiss performed their parts splendidly. All enjoyed themselves and came away well pleased with the exercises...

The Sales of Hood's Sarsaparilla are the best in the world because the cures by Hood's Sarsaparilla are wonderful, perfect, permanent. It is The One True Blood Purifier. Hood's Pills are the best family cathartic and liver medicine. Harmless, reliable, sure.

ADAMSBURG.

The Middleburgh Base Ball Club will play the Adamsburg club at this place on Saturday. Mrs. Reuben Felker is on the sick list. H. Romig has received another lot of roofing. The M. E. church will be dedicated on Aug. 2nd. Spencer and Miss Estella M. Romig attended the New Berlin Commencement and visited a few days in Selinsgrove last week. Our sick folk have recovered from diphtheria...

PERFECT and permanent are the cures by Hood's Sarsaparilla, because it makes pure, rich, healthy, life and health-giving BLOOD.

KREAMER.

Miss Lillian Buck is spending a few weeks in Shamokin. Ammon Feintzelman and cousin of Lewisport spent a few days with the former's parents. Quite a number of our citizens were spectators at the children's exercises at Globe Mills on Sunday evening and all returned well pleased with what they saw and heard. Thomas Gutelius of Millington spent a few days with his son, C. John Pauling and Mrs. Miller of Lewisport and Fred Gensinger and wife of Ills, enjoyed the hospitality of J. F. Walter and family last week. Everybody who had not been present to witness the great and famous performance of a foreigner in this place last Wednesday evening has certainly missed something, they shall never have the opportunity of seeing again. Children exercises will be held in the Evangelical church Sunday evening. Mrs. Rose Reihl and son, John, of Lewisport have been mingling with friends for the past week. Misses Izora Smith and Mame Royce have returned from Selinsgrove last Wednesday. Miss Elutie Walter, after a few weeks sojourn in Selinsgrove, returned home. Miss Erma Magee spent last Sunday at her former home at Mazoppa.

If it required an annual outlay of \$100.00 to insure a family against any serious consequences from an attack of bowel complaint during the year there are many who would feel it their duty to pay it; that they could not afford to risk their lives, and those of their family for such a small amount. One can get this insurance for 25 cents, that being the price of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost every neighborhood there is one who has died from an attack of bowel complaint before medicine could be procured or a physician summoned. One or two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount? For sale by all druggists.

Prof. Fisher to Leave Bucknell. Prof. George E. Fisher, Ph. B., who has recently been elected to a professorship in the Susquehanna University at Selinsgrove has very successfully filled the chair of Science and English in Bucknell Academy for a number of years. He is not only popular as a teacher among Bucknell boys, but his hearty sympathy with them in their work in sports caused them to make a friend of him and it will be with regret that they will learn that he is leaving.

WEST BEAVER.

Hurray for McKinley and Hobart! The rain on Sunday revived and put everything in its growing order. Hurry Fisher and Mrs. Bannan and family spent Sunday with their Snyder county friends. The slack rope performer at McClure on last Saturday was well patronized, also the festival at Kalpeter's school house under the management of Baker and Wagner. Emanuel Baumgardner and wife of Elkhart, Ind., are visiting their Snyder county friends and relatives and expect to spend a few weeks here. Wm. Heister looks fifty per cent. better since he got home from his western trip. J. J. Steeley spent Sunday with his parents at Middlecreek. His father has been confined to the house for some time. Some of our farmers expect to cut wheat this week. There was some grass cut last week. The work at the coal mine is still going on with prospects of making their work pay. Wm. Koch and wife are instructing the young folks here every Friday evening in music and singing. W. H. Knapp of Crossgrove is putting up a new stable along side his blacksmith shop. Our merchant Howell expects to remain here until after McKinley's election with a usual stock and then will increase it tenfold. Orders for staves are not coming in as fast as some of our mill owners would like to see. H. D. Knapp's boys of near Lewisport, spent Sunday at T. F. Swinford's. A few more rains like Sunday's will bring hay down to \$10 a ton in West Beaver.

FREEBURG.

The teacher of the Lutheran and Reformed S. S. elected D. S. Boyer and Wm. Moyer, Superintendents, W. L. Bassler, Secretary, B. F. Arnold, Treasurer and Ed. Grimm, Superintendent of the Infant Department. Cal. Roush of Williamsport is visiting friends at Freeburg and is the guest of J. B. Shirk. Mrs. L. G. Walker and daughter of Piedmont, W. V., are here visiting her sick sister, Annie Bickel at the Bickel homestead. John Hepner and John Hummel roofed their large barns on their farms. Widow Metz also roofed her stable. W. L. Bassler purchased a fine piano from C. C. Seebold. Mrs. Bassler is a trained musician. J. F. Eisenhower brings milk to our people every morning. This is a new enterprise and an accommodation for our people. Ed. Bogar and wife of Middleburgh were the guests of J. F. Eisenhower and Luther Kautz Saturday and Sunday. The Poor voting contest for the scholarship is creating an excitement among your subscribers and will add new names to your large list. The festival at Red Bank last Saturday evening was well attended. Our band furnished the music. Our Directors of the Poor levied 1 1/2 mills poor tax.

Judge McClure has appointed a surveyor of each of the counties of Union and Snyder, and the commissioners of the same counties have also appointed one of each county, and the four persons appointed have selected the fifth surveyor, the five constituting a commission to ascertain the correct line of Union and Snyder counties in the neighborhood of the western end of the West Branch river bridge at this place. This is one of the preliminary steps towards securing a free bridge. North'd Press.

Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the Liver and Kidneys and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion and is pronounced by all who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at Graybill, Garman & Co., Richfield, Drug Store.

Wedded at Bloomsburg.

Wednesday afternoon of last week A. D. Catterson of Moseow was married at Bloomsburg to Miss Mertie Bidleman in St. Matthew's Evangelical Lutheran church. The bride is well known in Snyder county and her many friends here extend hearty congratulations. Miss Estelle Deobler of Selinsgrove presided at the organ and played the wedding march, while Jno. F. Wagenseller of the same place served as an usher. Another guest from the county was Miss Victoria Deobler of Selinsgrove. The Editor was compelled to send his regrets having been unable to attend the exercises at this most happy and important accession.

Blood Poison.

Contagious Blood Poison has been appropriately called the curse of mankind. It is the one disease that physicians cannot cure; their mercurial and potash remedies only bottle up the poison in the system, to surely break forth in a more virulent form, resulting in a total wreck of the system.

Mr. Frank B. Martin, a prominent jeweler at 926 Pennsylvania Ave., Washington, D.C., says: I was for a long time under treatment of two of the best physicians of this city, for a severe case of blood poison, but my condition grew worse all the while, notwithstanding the fact that they charged me three hundred dollars. My mouth was filled with eating sores; my tongue was almost eaten away, so that for three months I was unable to taste any solid food. My hair was coming out rapidly, and I was in a horrible fix. I had tried various treatments, and was nearly discouraged, when a friend recommended S.S.S. After I had taken four bottles, I began to get better, and when I had finished eighteen bottles, I was cured and well, my skin was without a blemish, and I have had no return of the disease. S.S.S. (guaranteed purely vegetable) will cure any case of blood poison. Books on the disease and its treatment, mailed free by Swift Specific Co., Atlanta, Ga.
