She possesses great ability... Martin Weirick and wife are the happy recipients of a bright little baby-boy... The festival on Saturday evening proved a success... Miss Laura Hertz of Swineford and Miss Kennedy of Centre county visited at this place over Sunday... The huckleberry harvest is in full last now... Miss Maud Gift, having spent a few months in Sunbury, returned home on Saturday. She realizes the words of the poet, "There's no place like Home."

RICH RED BLOOD is the foundation of good health. That is why Hood's Sarsaparilla, the One True Blood Purifier, gives HEALTH.

How a Man can be his own Grandfather. I married a widow who had a daughter. My father visited my wife frequently, fell in love and married my step-daughter. Thus my father became my son-in-law, and my step-daughter my mother, because she was my father's wife. My step-daughter had also a son; was of course my brother and at the same time my grandchild, for he was the son of my daughter. My wife was my grandmother, because she was my husband and grandchild at the same time; and as the husband of a person's grandmother is his grandfather, I was my own grandfather.

To Drive Around the World. Professor Edwin Urban, an artist from New York, will shortly start upon a trip around the world. He will make the tour in a wagon, for the construction of which he has closed a contract with a local carpenter. It will be fitted up with all the comforts of home. The artist expects to begin his journey in six weeks. He will make a tour of the United States, and then go to China, and to the other Asiatic countries. He expects to reach Paris in time for the exposition of 1900, and then return home.
