The Social Side of Bicycling.

Everybody knows in a general way that thousands of persons, young and old, are riding bicycles this year, but few realize what an important factor the social side of cycling has become. To bring out all the facts, the issue of "The Philadelphia Sunday Press" of next Sunday, the 19th inst., will be a Bicycle Number. There will be page after page of gossip, profusely illustrated, about all the bicycle clubs and bicycle riders everywhere, and in Pennsylvania, New Jersey, Delaware and Maryland particularly. If you are the owner of a bicycle your portrait is likely to be in next "Sunday's Press" and there will certainly be a chapter of gossip about the cyclers of this section. The project is unique, and the demand for "The Sunday Press" bicycle number is certain to be immense.

The Pennsylvania Railroad's Popular Excursions to the Seashore.

$10 FOR TWELVE DAYS.

No other Summer outing appeals so strongly to the people of Western Pennsylvania as the Pennsylvania Railroad Company's popular excursions to the seacoast of New Jersey. For years they have been looked forward to as the holiday event of each Summer, and every season has seen them grow more popular. The reason of the great favor in which they are held is easy to see. The rate of $10 for the round trip is phenomenally low, considering the distance and the high character of the service; the limit of 12 days just fits the time set apart for the average vacation, and the dates of the excursions are most conveniently adjusted. There is also the widest field for choice in the selection of the resort. Atlantic City, Cape May, Sea Isle City, and Ocean City are the choicest of the Atlantic coast resorts, and any one of them may be visited under these arrangements.

The dates of the excursions are July 9 and 23, and August 6 and 20. A special train of Pullman parlor cars and day coaches will leave Pittsburg on above-mentioned dates at 8.55 A. M., arriving at Altoona 12.00 P. M., where stop for dinner will be made, and reaching Philadelphia 7.30 P. M. Special train will leave Broad Street Station, Philadelphia, at 7.30 P. M., via Delaware River Bridge route, for Atlantic City, arriving at that point about 9.00 P. M., making the run from Pittsburg to the seashore in twelve hours. Passengers may spend the night in the city, and proceed to the shore by any regular train from Market Street Wharf the following day.

Tickets will be sold from the stations at the rates named below:—

	Rate.	Train leaves.
Pittsburg	10 00	8.55 A. M.
Altoona (stops for dinner)	8 00	12.30 P. M.
Lewistown Junction	6 00	2.43 "
Mifflin	5 65	3.00 "
Philadelphia	Arrive	7.30 "

For detailed information in regard to rates and time of trains apply to ticket agents, or Mr. Thomas E. Watt, District Passenger Agent, Pittsburg.

The Pennsylvania Railroad's Popular Excursions to the Seashore.

$10 FOR TWELVE WEEKS.

The next of the Pennsylvania Railroad Company's series of popular ten-day excursions to the seashore will leave Pittsburg on July 23.

The reason of the great favor in which these excursions are held is easy to see. The rate of $10 for the round trip is phenomenally low, considering the distance and the high character of the service; the limit of twelve days just fits the time set apart for the average vacation, and the dates of the excursions are most conveniently adjusted. There is also the widest field for choice in the selection of the resort. Atlantic City, Cape May, Sea Isle City, and Ocean City are the choicest of the Atlantic coast resorts, and any one of them may be visited under these arrangements.

A special train of parlor cars and day coaches will leave Pittsburg on the above-mentioned dates at 8.55 A. M., and connect at Philadelphia with special train via the new Delaware River Bridge route, landing passengers at Atlantic City in 6 hours from Pittsburg; or passengers for Atlantic City may spend the night in Philadelphia and proceed to destination by regular train from Broad Street Station or Market Street Wharf the following day. Passengers for other points above named will use regular trains from Market Street Wharf the following day.

Tickets will also be sold for regular trains leaving Pittsburg at 4.30 and 8.10 P. M. from stations at which they stop, and from stations from which regular connection is made with them. These trains have Pullman sleeping cars attached and arrive in Philadelphia next morning, whence passengers may proceed to the shore on any regular train that day.

Tickets will be sold from the stations at the rates named below:—

	Rate.	Train leaves.
Pittsburg	$10 00	8.55 A. M.
Lewistown Junction	6 00	2.43 "
Mifflin	5 65	3.00 "
Philadelphia	Arrive	7.30 "

For further information apply to ticket agents or Mr. Thomas E. Watt, District Passenger Agent, Pittsburg.
