

**WEST BEAVER.**

The Herbst Brothers are going some threshing now and report a fair crop. The oats crop will be big. This end has been annoyed a good deal for the last week with a band of beggars, thieves and fortune-telling gypsies. Mrs. Gibbony and daughter, (nee Stealy) of Mifflin county spent a few days with her parents, Wm. Stealy's, at Middlecreek last week. Business at our little villages are below par at this writing. Cause: encampment at Lewistown. James Dreese of McClure, after a long spell of sickness, died on last Saturday afternoon. Our merchants have adopted the cash system with a reduction in their prices, but the reduction is so small that it can not be seen with the naked eye. All the folks that did not go to the encampment attended the dog show at McClure on Monday and pronounced it good. Hay is short in bulk but not in weight, as a two-horse load weighed almost 3 tons. Dickering with the gypsies Sunday was the chief object of the day at McClure.

**NEW BERLIN.**

Harry Decker of Catawissa is the guest of George Schnure. Miss Verdie Musser of Williamsport is the guest of her friend, Ella Nagle. Dr. A. E. Gobble and wife are spending a few days at Spring Mills. Prof. Frank Oldt of Dubuque, Iowa, is visiting his father, Charles Oldt. Prof. Oldt is one of the leading educators of the west. The C. P. College is undergoing a process of renovating and repairing. The next term begins August 19th and prospects are bright for a large attendance. Chas. Miller lost a valuable horse on Saturday. New Berlin can boast of its fast horses. John Hoch has a sorrel pacer and Dr. Rothrock a black pacer. They challenge their equals. Fremont Albert, our genial barber, has a first class violin that he would exchange for a good bicycle. I. F. Bilger has a few new buggies for sale cheap. They are guaranteed for two years.

Last summer one of our grand children was sick with a severe bowel trouble. Our doctor's remedies had failed, then we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave very speedy relief. We regard it as the best medicine ever put on the market for bowel complaints. Mrs. E. G. Gregory, Fredericktown, Mo. This certainly is the best medicine ever put on the market for dysentery, summer complaint, colic and cholera infantum in children. It never fails to give prompt relief when used in reasonable time and the plain printed directions are followed. Many mothers have expressed their sincere gratitude for the cures it has effected. For sale by all druggists.

**SELINGSGROVE.**

G. B. Shaffer of the Williamsport is the guest of A. N. Gemberling. Mrs. A. W. Smith and daughter, Edna, have returned from a visit of several weeks to Philadelphia and Atlantic City. Mrs. Jos. Heyman and daughter of Brooklyn, N. Y., are the guests of S. Oppenheimer and family. Mrs. Wade Weaver of Wilkesbarre is visiting friends in town. Geo. D. Fisher will reopen his laundry next week in Charles' building on Water Street. A number of our wheelmen rode to Lewistown on Sunday to take in the encampment. "Our Boys" met their first defeat on the home grounds this season, last Saturday. Newport did the job, but notwithstanding the defeat, it was decidedly the finest game of ball ever played in this place, being almost devoid of errors. Score: Selingsgrove 1, Newport 5. Next Friday a game will be played in this place with the Northumberland nine.

**Condensed Testimony.**

Chas. B. Hood, Broker and Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a Cough Remedy. J. D. Brown, Prop. St. James Hotel, Ft. Wayne, Ind., testifies that he was cured of a Cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. B. F. Merrill, Baldwinville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any other doctor, because it always cures. Mrs. Hemming, 222 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. Free Trial Bottles at Graybill, Garman & Co.'s, Richfield, Pa., and all druggists.

**KREAMER.**

Abbe Knouse and family of Selingsgrove were the guests of H. Leitzel and family over Sunday. We neglected to state in our last writing that Dave Bellman was called home to Reading to attend the funeral of his father. He was accompanied by Messrs Paul and Frank Hummel. Mrs. Ezra Rouch is visiting friends on the other side of the river.

Messrs Allen and Gail Kreamer, C. Lenig, J. Duck and James Snyder went to the encampment at Lewistown on their wheels Sunday. A. Gutelius of Philadelphia, who had been visiting his brother for a few weeks, has gone to Mifflinburg to visit friends. Prof. Wm. Magee and family of Shamokin had been enjoying the hospitality of his sister and brother of this place. A. C. Smith has been very busy for the last few weeks shipping berries which he gets from his customers. Misses Lottie Spangler of Verdilla and Mabel Grimm and brother of Middleburgh spent Sunday with the Misses Walter. Miss Annie Gemberling of Salem rode on her wheel to this place on Saturday to visit friends.

**ADAMSBURG.**

Very few of our people have thus far attended the Lewistown Encampment. The following persons are clerking there: John Rauch, John Strawser, H. J. Dreese, C. Romig, S. E. Romig and Robert Middleswarth. The funeral of Mrs. R. Felker on last Friday was largely attended. Miss Mamie Shott of Millersburg is visiting Rev. B. F. Kautz's. Mother Joseph Shannon is seriously ill at this writing. An interesting picnic was held by the Junior Y. P. S. C. E. on Saturday. The Juniors departed regretting that the day wasn't any longer. Miss Edna Harley of Millin is visiting her many friends at this place. On last Friday night a number of Beavertown boys representing themselves as cavalry men passed through this place. Our boys found them out and on their return they were pelted with green apples, etc., and were treated to a fresh dose of water. The boys fled in such haste that some of them took the wrong road.

**SHAMOKIN DAM.**

There are quite a large number of picnics on Clement's Park. Three Sunday schools from Port Treverton expect to be there on Thursday. Wm. J. Bryan of Nebraska the Democratic candidate for President is heartily endorsed by some of our leading democrats. For information consult William Bolig. George A. Hettrick, our famous banjo artist does exceptionally fine work on that instrument. He shows great skill and dexterity in the manipulation of the banjo. Wm. L. Hottenstein, formerly of this place, is seen quite frequently in our midst. He is given to the pleasure of cycling. The Lutheran and Methodist Sunday schools at this place will hold their annual picnic at the Log Grocery below Selingsgrove on Thursday, July 23rd. A good time is expected. A. M. Herman, who moved from here to Sunbury, has taken charge of the Tremont House at that place. He will be pleased to have you call, everything being served in grand shape and meals can be had at all hours. Quite a number of private picnics are held frequently in the afternoon on the gipsy ground in Granger's Hollow. The pleasures of game rooster fights and the pool table form a part of our curriculum. Hushy Elliot sprained his finger catching ball the other day. Keep on, Hushy, success will at last crown your efforts. The Keystone Cornet Band held a festival last Saturday evening in Bailey's Grove. As far as can be learned they met with success. The Methodist church also held a festival last Saturday evening. It was well attended. The topic for general discussion—The free silver question. The base ball nine removed from Granger's Hollow to Arbogast's field. They beat the Sunbury scrubs the other day. One thing needful—The organization of a cornet band for the campaign this fall. X. Y. Z.

**Scrofula**

Is a deep-seated blood disease which all the mineral mixtures in the world cannot cure. S.S.S. (guaranteed purely vegetable) is a real blood remedy for blood diseases and has no equal.

Mrs. Y. T. Buck, of Delaney, Ark., had Scrofula for twenty-five years and most of the time was under the care of the doctors who could not relieve her. A specialist said he could cure her, but he filled her with arsenic and potash which almost ruined her constitution. She then took nearly every so-called blood medicine and drank them by the wholesale, but they did not reach her trouble. Some one advised her to try S.S.S. and she very soon found that she had a real blood remedy at last. She says: "After taking one dozen bottles of S.S.S. I am perfectly well, my skin is clear and healthy and I would not be in my former condition for two thousand dollars. Instead of drying up the poison in my system, like the potash and arsenic, S.S.S. drove the disease out through the skin, and I was permanently rid of it."

**A Real Blood Remedy.**  
S.S.S. never fails to cure Scrofula, Eczema, Rheumatism, Contagious Blood Poison, or any disorder of the blood. Do not rely upon a simple tonic to cure a deep-seated blood disease, but take a real blood remedy.
