DELIGHTED SUMMER TOURS.

Two Tours to the North via Pennsylvania Railroad.

It is tedious to map out a tour for one's self for invariably expense doubles, and some petty traveling annoyances brought about by an oversight mars what should have been a pleasant trip. It is a pleasure to have everything arranged systematically before departing, thus obviating unnecessary expenses as well as conveniences. To this end the Pennsylvania Railroad Company first inaugurated personally-conducted tours, maintained them at the highest possible standard of excellence, and gave them at opportune seasons, after careful study as to desirable dates and every necessary detail.

For the convenience of those who seek the most attractive way of spending a Summer holiday, the Pennsylvania Railroad Company has arranged two delightful tours to the North, under the personally-conducted tourist system, July 21 and Aug. 18. The points included in the itinerary and the country traversed abound in nature's beauties. Magnificent scenery begins with the journey, and ends only with its completion. The names of the places to be visited are familiar to all. No matter how much may be expected, one cannot be disappointed in Watkins Glen, Niagara Falls, Thousand Islands, Quebec, Montreal, Au Sable Chasm, Lakes Champlain and George, Saratoga, or the Highlands of the Hudson.

Each tour will be in charge of one of the company's tourist agents, assisted by an experienced lady as chaperon, whose especial charge will be unescorted ladies.

The rate of $100 from New York, Brooklyn, Newark, Trenton, Philadelphia, Harrisburg, Baltimore, and Washington covers railway and boat fare for the entire round trip, parlor-car seats, meals en route, hotel entertainment, transfer charges, carriage hire—in fact every item of necessary expense.

Tickets purchased and not used will be redeemed at full amount paid if presented personally or by letter at the General Office, Broad Street Station, Philadelphia, not later than two days before the respective dates of departure.

For detailed itinerary, tickets, or any additional information address Tourist Agents, Pennsylvania Railroad Company, 1196 Broadway, New York; 849 Fulton Street, Brooklin; Room 411, Broad Street Station, Philadelphia.

The Pennsylvania Railroad's Popular Excursions to the Seashore.

$10 FOR TWELNE DAYS.

No other Summer outing appeals so strongly to the people of Western Pennsylvania as the Pennsylvania Railroad Company's popular excursions to the seacoast of New Jersey. For years they have been looked forward to as the holiday event of each Summer, and every season has seen them grow more popular. The reason of the great favor in which they are held is easy to see. The rate of $10 for the round trip is phenomenally low, considering the distance and the high character of the service; the limit of twelve days just fits the time set apart for the average vacation, and the dates of the excursions are most conveniently adjusted. There is also the widest field for choice in the selection of the resort. Atlantic City, Cape May, Sea Isle City, and Ocean City are the choicest of the Atlantic coast resorts, and any one of them may be visited under these arrangements.

The dates of the excursions are July 9 and 23, August 6 and 20, and the rates will be as follows: Pittsburg, Uniontown, Connellsville, Scottdale, Greensburg, Butler, and Latrobe, $10; Johnstown, $9.25; Cresson, $8.50; Altoona, $8; Tyrone, $7.65; Clearfield, $8.00; Bedford, $8.50, Huntingdon, $7.10; Mifflin, $5.60; proportionate rates from other points.

A special train of parlor cars and day coaches will leave Pittsburg on each of the above-mentioned dates at 8.55 A. M., and connect at Philadelphia with special train via the new Delaware River Bridge route, landing passengers at Atlantic City in twelve hours from Pittsburg; or passengers may spend the night in Philadelphia and proceed to the shore by regular trains from Market Street Wharf the following day.

Tickets will also be good on regular trains leaving Pittsburg at 4.30 and 8.10 P. M., arriving in Philadelphia next morning, whence passengers may proceed to the shore on any regular train from Market Street that day.

For detailed information in regard to rates and time of trains apply to ticket agents, or Mr. Thomas E. Watt, District Passenger Agent, Pittsburg.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarthoer Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Mich. For sale by all druggists.
